

# 5<sup>th</sup> Day Experience

## Fifth Day Experience

### UPDATED PARTICIPATION PERMISSION SLIP (2020-2021)

The Fifth Day Experience is an opportunity to transform our students’ learning experiences. The Fifth Day Experience, which begins Friday, February 5, 2021 – May 14, 2021, applies to high school students who attend Butler Tech’s high school campuses (Fairfield Township, Monroe, West Chester).

Currently, Fridays are personalized, teacher direct Fifth Day Experiences. Beginning February 5<sup>th</sup>, the learning experience will still be personalized, but now, students will be allowed to pursue personalized experiences determined **by their own voice and choice**. The Fifth Day Experience's overall goal is to enhance students’ education and growth through freedom and flexibility based on their interests, needs, and ambitions, ultimately creating highly competitive graduates.

While opportunities and experiences are limitless, Butler Tech will provide supervised opportunities at no cost\* to all students through online registration. These choices are determined by student feedback and demand. Some internal programs may not run if too few students register to attend. For a list of available experiences, please visit the Fifth Day Experience website at <https://fde.butlertech.org/>.

We are encouraging all Butler Tech campus students to take advantage of the Fifth Day Experience opportunity.

### Permission for Participation in Butler Tech’s Fifth Day Experience

I, give permission for my student \_\_\_\_\_, (student name) to attend the Butler Tech’s Fifth Day Experiences. I understand that my student may wish to participate in a ½ day or full-day experience for one or as many as fifteen Fridays. If my student is a bus rider, they must register for both a morning and afternoon session. Otherwise, I must provide the required parent permission for my student to leave. I understand that the Fifth Day Experiences will be led by Butler Tech staff members as well as outside community business partners. During these experiences, students may be subject to discipline for violation of the Code of Conduct/Student Discipline Code even if that conduct occurs on property not owned or controlled by the Board, but that is connected to activities or incidents that have occurred on property owned or controlled by the Board, or conduct that, regardless of where it occurs, is directed at a Board official or employee, or the property of such official or employee. Student drivers are required to have a parking permit (completion of the *Butler Tech Parking Permit Application and Permission to Transport Self in a Non-District Owned Vehicle to a School-Sponsored Event* form).

Student Name \_\_\_\_\_

Parent Signature \_\_\_\_\_ Date \_\_\_\_\_

*\*Students may choose to participate in activities from an outside vendor that charge a fee for their services.*
