Butler Tech Natural Science Center	nothing
	I don't care because I won't be there.
Butler Tech Natural Science Center	Snakes
D. Russel Lee Career Center	idk
	They should offer tutoring for kids struggling in any course.
D. Russel Lee Career Center	i dont like the fifth day experience change, i would rather have my spring break, this is my last year of high school and i dont want anything to change with it. i would love my spring break back
D. Russel Lee Career Center	i would like to work, do internship, or stay at home with my daughter.
D. Russel Lee Career Center	none
Butler Tech School of the Arts	Different dance job opportunities.
	video game groups
D. Russel Lee Career Center	work option
D. Russel Lee Career Center	Drivers ed would be cool, also having maybe like trips or to visit other Butler Tech campuses or colleges maybe.
D. Russel Lee Career Center	other labs
D. Russel Lee Career Center	try out other labs
D. Russel Lee Career Center	I would most likely like to take up an internship or shadowing.
D. Russel Lee Career Center	stay home or or something idk tbh
D. Russel Lee Career Center	I would like to try out the other labs
D. Russel Lee Career Center	Free time to do extra stuff or work on other work.
D. Russel Lee Career Center	a chance to bring in a project from home so we can work on it in lab
D. Russel Lee Career Center	I would like to work more since we are having a fifth day experience
D. Russel Lee Career Center	Some activities i would like to experience on Friday's would be guest speakers
D. Russel Lee Career Center	Not sure
D. Russel Lee Career Center	im going to just hang out at my house, 3 day weekend
D. Russel Lee Career Center	my friend owns a business i could help in the warehouse
D. Russel Lee Career Center	NBA 2K20 tournaments
D. Russel Lee Career Center	I dont really know to be honest.

Butler Tech Natural Science Center	I feel that butler tech should offer there own internships for students to attend and volunteer things.
	Anything that will benefit my growth as a student
D. Russel Lee Career Center	work
D. Russel Lee Career Center	just have lab teaches incase people need help or have missing work
D. Russel Lee Career Center	Shadow a real mechanic for working in the auto industry.
D. Russel Lee Career Center	I have no preferences
D. Russel Lee Career Center	Picking my own clothes
D. Russel Lee Career Center	give a chance to work
D. Russel Lee Career Center	I m not entirely sure I just wanna be as prepared as possible for my future
D. Russel Lee Career Center	I would like to experience hands on activities so I can get used to messing with different kinds of computers laptops.
D. Russel Lee Career Center	i would stay at home and go to work in the moning
D. Russel Lee Career Center	Some things that may allow us to explore other labs possibly
D. Russel Lee Career Center	CTSO activites
D. Russel Lee Career Center	it would be really cool if you offered to learn more about the other classes that butler tech offer or just have a fun day where we can do whatever on that day
Bioscience Center	Personally I wish butler tech would offer a healthcare experience on some of the fridays we have off
D. Russel Lee Career Center	On the fridays i would like to relax and do things i like to do like fish
D. Russel Lee Career Center	well I probably working some of the fridays and and other times I will be home
D. Russel Lee Career Center	Work days
D. Russel Lee Career Center	on the fridays we have off we school be able to do what evry we want just like the weekends
D. Russel Lee Career Center	i like the options
D. Russel Lee Career Center	Allowing people to come in if they want to work or stay home
Bioscience Center	Maybe just some extra help class time that I missed out on/ don't understand.
D. Russel Lee Career Center	being at work more hands on during the hours
D. Russel Lee Career Center	Card games
	i want be here
D. Russel Lee Career Center	nons
D. Russel Lee Career Center	extra lap
D. Russel Lee Career Center	Most likely work ing at General Tool as a welding, fabrication co-op

Student	Comments
Location	
D. Russel Lee Career Center	I ewill bw working
D. Russel Lee Career Center	I would like to go out and work on fridays like i do with my co-op right now
D. Russel Lee Career Center	work then go home
D. Russel Lee Career Center	working a whole day at my job
D. Russel Lee Career Center	COOPING
Butler Tech Natural Science Center	More programs for the Fridays that we have open.
D. Russel Lee Career Center	Job shadowing, Driving classes possibly, anything that would help me get better with schooling and or more stuff that i could accomplished on my own terms
D. Russel Lee Career Center	something that is closely related to engineering
D. Russel Lee Career Center	I will be working on the fridays
D. Russel Lee Career Center	labs internship shadowing college visits
D. Russel Lee Career Center	I don t have a specific preference.
D. Russel Lee Career Center	yeet
D. Russel Lee Career Center	I think that they should be allowed to go to their co-op jobs at the normal summer start time
D. Russel Lee Career Center	I feel like butler tech should supply tutors so students if they need help then they can come in and get help.
D. Russel Lee Career Center	welding
Bioscience Center	fun activities
D. Russel Lee Career Center	On these Fridays that we would be getting off, I work finally have a chance to catch up on missing school work, I could help out with family, and get some more hours at work. I think the fifth day off is a good choice for students as long as they actually use it to be productive.
D. Russel Lee Career Center	Co-op
	I like the opportunities that are given to us on Fridays
D. Russel Lee Career Center	not sure dont go to DRL
D. Russel Lee Career Center	maybe a field trip different careers
D. Russel Lee Career Center	Im gorn on a trip to san antonio to fly with with my uncle who owns a piper (plane) and am going to practice flying.
D. Russel Lee Career Center	Extra activites related to my specialty field
D. Russel Lee Career Center	ill probably just work every Friday
D. Russel Lee Career Center	Allow students to visit fire houses
D. Russel Lee Career Center	I want to go to different fire houses
D. Russel Lee Career Center	Work in a auto shop

Student	Comments
-	
Location	
D. Russel Lee Career Center	Shadow at fire departments.
D. Russel Lee Career Center	going to a fire house
D. Russel Lee Career Center	Probably go to different firehouses
D. Russel Lee Career Center	drivers ed
D. Russel Lee Career Center	activities I would like would be to work or volunteer at the same job that I am at
D. Russel Lee Career Center	Doing another lab
D. Russel Lee Career Center	Maybe a work out class or like yoga and coffee, something to come and ease your mind after a long week
D. Russel Lee Career Center	driving school
D. Russel Lee Career Center	dress down days
D. Russel Lee Career Center	Everything they offer
Butler Tech School of the Arts	Graphic arts and Design for Tattoo art and Fashion design
D. Russel Lee Career Center	I would like to job shadow at different fire houses
D. Russel Lee Career Center	A team sports class open for everyone
D. Russel Lee Career Center	I mainly want to work at a co-op on the fifth day experience
D. Russel Lee Career Center	Well i would do drivers ed class for a little bit but i rather take the drivers test 3 times and pass before doing that class if i want to take it. I do take advantages sometimes on things i like to go for, but not always i do like staying home and relaxing and working & etc. but i rather move out and live my life afterwards, but in all things, i just try to do my best and get thru it, so i can start my life, that's all
D. Russel Lee Career Center	i would like to shadow people that are in my line of career
D. Russel Lee Career Center	They're pretty cool and I like that we get a choice.
	work
D. Russel Lee Career Center	Visiting different departments and getting ride time in.
D. Russel Lee Career Center	n/a
D. Russel Lee Career Center	Going to firehouses, hospitals, and emergency call centers for my EMT hours.
D. Russel Lee Career Center	Going to fire departments & going to mercy fairfield.
D. Russel Lee Career Center	i will be getting ride time in for fire
D. Russel Lee Career Center	Just any aid to help students that really need it
	Id probably work more days and just sleep in and try to gets some R&P
D. Russel Lee Career Center	I will not be here on those days I will be at different fire houses and hospitals getting in time and experience
D. Russel Lee Career Center	Just wanna chill at a fire station or stay home.
D. Russel Lee Career Center	what i am already doing

Student	Comments
-	
Location	
D. Russel Lee Career Center	Gym
D. Russel Lee Career Center	I dont know
D. Russel Lee Career Center	work
D. Russel Lee Career Center	Doing runs with a fire department.
D. Russel Lee Career Center	maybe working
D. Russel Lee Career Center	Nothing really
D. Russel Lee Career Center	Going to work
D. Russel Lee Career Center	stay at home
D. Russel Lee Career Center	Drivers ed
D. Russel Lee Career Center	Drivers Ed
D. Russel Lee Career Center	Stay at home, do internship
D. Russel Lee Career Center	I want to be able to go to a person and work for them such as fly a drone and take pictures for them but i need to have a drone that takes these pictures.
D. Russel Lee Career Center	I would just like to be able to get some experience in different fields and see if this is truly what I want to do with my future.
D. Russel Lee Career Center	fun activities such as game day
D. Russel Lee Career Center	internships for an aviation type of guy like me. i want flight hours to work for my private pilot licesnse. i will also be working on some of those fridays with my drone bussiness. i want to further my aviation career
D. Russel Lee Career Center	I m not sure because most likely I will try to work on Fridays that way I can get off earlier so that someone can be home when my siblings come home.
D. Russel Lee Career Center	come and work in the lab and do project work, get help in classes, go to work some days, stay at home. others
D. Russel Lee Career Center	Everybody can hang out and listen to music.
D. Russel Lee Career Center	I do not have any preference.
D. Russel Lee Career Center	My experience I wouldn't change anything
D. Russel Lee Career Center	I just planned to work more on those fridays. And also use those days to decompress and catch-up on homework.
D. Russel Lee Career Center	I just want to get a job or stay home. My weekends are away from school, I d like to decompress from school activities even if it's involving working somewhere else.
D. Russel Lee Career Center	I don't have anything in mind
	soop
	shadowing
D. Russel Lee Career Center	i would like to try the experience of a dealership shop and work in that environment on those days.
D. Russel Lee Career Center	to be honest i would be happy with whatever the school will provide for us
	none

D. Russel Lee Career Center	put drivers ed classes
	Drivers Ed
D. Russel Lee Career Center	I am personally going to try to get more work hours during these friday offs. Also help out my mom a little bit. I think Butlertech should hold college help sessions for seniors that would like to take a year off then go to college. Also i think they should let people come to school on them fridays just to simply work. for example, I would come in sometimes just to sit and work on my online classes or to get caught up with a class. I think this is a great idea to give more freedom of education. Also you should hold things like "meet and eat" to where friends from school that live too far from each other that can come and eat there and charge like 5 bucks a piece because id really enjoy seeing my friends from butlertech and not just school. I love the butlertech people and the vibe thank you so much for all of the help each and every one of you have helped me in every way. I am trying my best and you guys do a great job at making me feel good about it. 5th day Experience is a wonderful idea. Another reason is because you can get an extra rest day to re energize from the tired school week
D. Russel Lee Career Center	I would want to work.
D. Russel Lee Career Center	i dont know at this time
Bioscience Center	work and internship
D. Russel Lee Career Center	no
D. Russel Lee Career Center	Options for tutoring or help with academics/ lab.
D. Russel Lee Career Center	drivers ed classes
D. Russel Lee Career Center	help with collage shearch and setting up vists
D. Russel Lee Career Center	Welding to have a hands on experience. To have a back up career.
D. Russel Lee Career Center	drivers ed courses
D. Russel Lee Career Center	Something with digital media or maybe working at my job
D. Russel Lee Career Center	idk
D. Russel Lee Career Center	hefwhuiewrfyidsfo
D. Russel Lee Career Center	study hall
Butler Tech Natural Science Center	i would like to do off campus activties on that day
D. Russel Lee Career Center	Activities to help with work. Any activity that is helpful while having fun.
D. Russel Lee Career Center	driving school
D. Russel Lee Career Center	On these Fridays I would like to be able to work towards improving myself for my future career.
D. Russel Lee Career Center	I would most likely use these days for a job, and using more auto tech experience at home.
D. Russel Lee Career Center	N, A
D. Russel Lee Career Center	I would like to go somewhere to work in my field as well as someday stay to myself at home and if we can maybe try some other fields
D. Russel Lee Career Center	to be able to just visit any class we want and if we want to leave we can and if we don't wanna come we don't have to
D. Russel Lee Career Center	to go
D. Russel Lee Career Center	auto tech classes

Student	Comments
Location	
D. Russel Lee Career Center	More experiences with our labs
D. Russel Lee Career Center	will go to compasses am also find work or go to work sometimes stay home to catch up on work
D. Russel Lee Career Center	Continue working at my job (which is lab related)
D. Russel Lee Career Center	employment convention
D. Russel Lee Career Center	going to work and making money maybe take a friday off here and there.
D. Russel Lee Career Center	I don't know to be honest with you
D. Russel Lee Career Center	Full days of lab
D. Russel Lee Career Center	IDK
D. Russel Lee Career Center	Being able to work in an automotive shop
	Anything related to what I do during the week.
Butler Tech Natural Science Center	Maybe something out in a field somewhere with a tractor
D. Russel Lee Career Center	Honestly I would just like some more time in the cosmo lab on Fridays so I could make up hours and also get some extra help when there isn't so many people because at the end of the day all I care about is being the best cosmologist that I can be
Butler Tech Natural Science Center	they should give us like easy stuff to do on friday since we have been doing stuff all week
D. Russel Lee Career Center	learn different things from different labs
D. Russel Lee Career Center	-Auto mechanics -IT
D. Russel Lee Career Center	ride alongs
D. Russel Lee Career Center	I'm not really sure.
D. Russel Lee Career Center	it would be very nice to have something economically friendly, or something to help other people. We could not only do things for the students, but because of our advantages, we could help other people. We could have bake sales and collect profits for good things. Cosmetology students could cut hair for the home-less. we could have bake sales for something along those lines and send the profits to animal shelters. Since we already have the benefit of coming to this amazing school, why not use our resources to help the ones that are in need?
D. Russel Lee Career Center	engineering
D. Russel Lee Career Center	to be able to go to work
D. Russel Lee Career Center	I will be doing ride time at different fire departments in order to get a real life experience in my job
D. Russel Lee Career Center	Drivestud
D. Russel Lee Career Center	Tutoring
D. Russel Lee Career Center	I'd like to be able to relax and do what I love, draw, so maybe a drawing course????
D. Russel Lee Career Center	I think the students should be allowed to job shadow
D. Russel Lee Career Center	Experienced the IT lab and about out some possible work places
D. Russel Lee Career Center	Going to work to make some extra money or making appointments for people that need hair done

Student	Comments
-	
Location	
D. Russel Lee Career Center	Have speakers from colleges come in and talk
D. Russel Lee Career Center	Events to help us hone our problem solving and teamwork skills would be nice
D. Russel Lee Career Center	I would appreciate it if it could do some job shadowing specifically of an entrepreneur, participate in some drivers ed classes, and lastly, I'd like to take some CCP courses.
D. Russel Lee Career Center	Learn more of engineering
D. Russel Lee Career Center	Drivers ED
D. Russel Lee Career Center	Some of the activities that butler tech would be offering is having some free time and let us students have some fun on these fridays.
D. Russel Lee Career Center	nothing
D. Russel Lee Career Center	College people come and we can talk to them, some speakers and guests to show us what they do
D. Russel Lee Career Center	The drivers ed.
D. Russel Lee Career Center	I would like to experience job shadowing a person on these fridays
D. Russel Lee Career Center	play music through out the day on the speakers when the bell changes to switch to other classes( music that the students want to listen to), or let us have some free time/ free period to have a break to do something else or homework.
D. Russel Lee Career Center	Drivers ed or Music Producing
D. Russel Lee Career Center	I would love to learn more about the Visual Arts program so I can figure out what a visual artist does and how to get a steady job by doing what I love
D. Russel Lee Career Center	Driver's Ed, College visits, fun physical activities
D. Russel Lee Career Center	On these Fridays I would like to explore my options. I still don't know which lab I want to go into so that is why I will probably shadow during the Fridays
D. Russel Lee Career Center	Any that I can go to because I like a lot of stuff and I don't know what I want to do but if I had to pick it would be Programming, and art.
D. Russel Lee Career Center	I think Butler Tech should be finding more connections to outside groups to help more students find jobs and internships.
D. Russel Lee Career Center	I think they should allow us to shadow other students or classes at other Butler Tech campuses so we get a feel of what we want to do next year
D. Russel Lee Career Center	I want to be able to volunteer at my home school district because it would be really cool and a great experience.
D. Russel Lee Career Center	I would like to experience a drivers ed course, other courses that are not usually available during the school day, and possible volunteer options.
D. Russel Lee Career Center	If they make driving classes available on fridays
D. Russel Lee Career Center	Freedom of labs on campus
D. Russel Lee Career Center	Shadowing
D. Russel Lee Career Center	I would want to work
D. Russel Lee Career Center	For my experience I'm going to work at my job as a chef because I intend to pursue being a chef when I'm older.
D. Russel Lee Career Center	Personally, I would prefer Butler Tech to offer a homework and assignment study hall, free period type of activity on fridays primarily because it would allow students to meet with other students and ask questions regarding assigned work.
D. Russel Lee Career Center	I would like to shadow, As volunteer at the fairs.

Student	Comments
Location	
D. Russel Lee Career Center	Chances to see my career choice and what they do. And I want to take a driver's ed class.
D. Russel Lee Career Center	I would like to see the IT lab because its the program that I plan on going into
D. Russel Lee Career Center	I would like to use the driver's education courses, but I also will have to watch my siblings sometimes too. I might try to catch a few shifts at my job as well.
D. Russel Lee Career Center	I'm mostly looking forwards to the Diver Ed. courses but I would love to go on college visits
D. Russel Lee Career Center	I'd be down to try anything really.
D. Russel Lee Career Center	I would like to go shadow all the careers that I'm interested in.
D. Russel Lee Career Center	shadow a friend at the Butler tech farm
D. Russel Lee Career Center	I would just like to take some time on Friday's to catch up on schoolwork or work extra shifts.
D. Russel Lee Career Center	Have people from different labs tryout other labs and visit during these Fridays.
D. Russel Lee Career Center	shadowing a student at a different campus
D. Russel Lee Career Center	I would like to do the Drivers ED course
D. Russel Lee Career Center	I would really like to shadow some jobs on Fridays. I also have a job that I can work some extra hours at
D. Russel Lee Career Center	I would like to be able to look into shadowing for jobs
D. Russel Lee Career Center	visiting other labs
D. Russel Lee Career Center	I've got to work
D. Russel Lee Career Center	Ride alongs
D. Russel Lee Career Center	I want to get a job shadowing a teacher like I did last year. I would also like to do the driving courses.
D. Russel Lee Career Center	Physical Education, Co-op, or Personal
D. Russel Lee Career Center	I really enjoy the on campus solutions, allowing us to have extra opportunities to learn new skills (as an engineer I would love to learn welding) or if we are extra busy during a certain week have a day to decompress and catch up on the work week.
D. Russel Lee Career Center	I like the idea going into different labs and are able to learn their material, but I would like to experience the workforce. I just don't know how to link with a company to do this and would like some help. Working at a company that corresponds with my field's interest is how I want to spend the Fifth Day Experience
D. Russel Lee Career Center	going into different labs and learning there material and ways and everything and also finding a good job better than what I have now and do something I'm more interested in
D. Russel Lee Career Center	Since I am in Mechatronics I would definitely like more lab time because there are many things to learn. Also, a co-op relating to my lab would also be nice to do too.
D. Russel Lee Career Center	school/team bonding, getting to connect and meet new people
D. Russel Lee Career Center	Well if I have Friday off I can go see different colleges and get a job I can work all day
D. Russel Lee Career Center	Career exploring so you can get more of an idea of what were going into
D. Russel Lee Career Center	Co-op programs or jobs
D. Russel Lee Career Center	I do either way

Student	Comments
Location	
D. Russel Lee Career Center	I would like for them to offer the chance to go to robotics company
D. Russel Lee Career Center	I would like co-op opportunities related to but not limited to engineering as most co-ops seem to be machining related and not as engineering oriented EX: design or programming
D. Russel Lee Career Center	stuff, could be anything. If it helped me in the future like taxes then ill for sure come.
D. Russel Lee Career Center	I feel like the entire campus would benefit from like team building or group initiative programs.
D. Russel Lee Career Center	I don't have an opinion on this, for the most part, I'll be here on Fridays during February and March but afterwards I have no jobs yet that I would attend at this moment during those days.
D. Russel Lee Career Center	Open for people to learn from the other labs
D. Russel Lee Career Center	Tutoring for struggling students Extra-curricular activities Social gatherings (carnivals, events, motivational speakers, etc.,
D. Russel Lee Career Center	Potentially a job, but I might also use the time for catching up on my current CCP coursework.
D. Russel Lee Career Center	I think you should offer tutoring help to those who would benefit and help their grades or a possible class that would count for a quarter of a credit, possibly just a fun topic worth learning about... conspiracy theories? that's a fun one! or maybe just a fun day that helps us as students collaborate together to make new friends and bonds to last a lifetime!
D. Russel Lee Career Center	work on personal goals maybe spend time with family and friends and get some stuff done.
D. Russel Lee Career Center	Tutoring, or clubs, or extra-curricular activities
D. Russel Lee Career Center	I would love to learn a little bit about the other labs in my school. I'd love to learn about welding, or criminal justice, or cosmo.
D. Russel Lee Career Center	Cdl classes for seniors
D. Russel Lee Career Center	I don't know what can i do?
D. Russel Lee Career Center	New experiences.
D. Russel Lee Career Center	nothing
D. Russel Lee Career Center	I'd rather stay at home and get some of my own work done.
D. Russel Lee Career Center	I would go to work
D. Russel Lee Career Center	hhj
D. Russel Lee Career Center	extra welding classes
D. Russel Lee Career Center	Co-op during the fifth day experience
D. Russel Lee Career Center	nothing
D. Russel Lee Career Center	Motorcycle class
D. Russel Lee Career Center	I would work at my other job
D. Russel Lee Career Center	Idk
D. Russel Lee Career Center	sure
D. Russel Lee Career Center	na

Student	Comments

Location	
D. Russel Lee Career Center	I would like to work and get things done.
D. Russel Lee Career Center	oh i don't guess
D. Russel Lee Career Center	If I can go to the Graphic Design, and Digital Media
D. Russel Lee Career Center	I don't have a particular preference in the activities for these Fridays.
D. Russel Lee Career Center	I would like to be a fireman and learn new things that I never knew about
D. Russel Lee Career Center	drivers ed
D. Russel Lee Career Center	stay home
D. Russel Lee Career Center	Visit a campus and talk to a professor about video editing.
D. Russel Lee Career Center	im gonna be working a job every friday
D. Russel Lee Career Center	Health class, because I still need that credit to graduate. Along with anything that will let me know exactly what I would like to do for a job.
D. Russel Lee Career Center	No idea
D. Russel Lee Career Center	Something musical
D. Russel Lee Career Center	drivers ed courses and ccp courses
D. Russel Lee Career Center	I honestly don't know
D. Russel Lee Career Center	Be able to go to the Bio center and be able to learn new things and be able to go to hospitals and learn new things that Doctors and nurses use or do
D. Russel Lee Career Center	mostly work options
D. Russel Lee Career Center	I want to work on fridays
D. Russel Lee Career Center	Landscaping
D. Russel Lee Career Center	I would like to job shadow
D. Russel Lee Career Center	I would like to experience drivers ed and job shadowing
D. Russel Lee Career Center	I would enjoy to job shadow at UC West Chester hospital
D. Russel Lee Career Center	shadowing nursing and drivers ed
D. Russel Lee Career Center	stay home and do work
D. Russel Lee Career Center	Anything that shall help me become a better coder (like IT). I want to fully understand how coding works so maybe I can get a job that could involve this certain skill. If there isn't a job out there for me like that, I may become a poet. But I am unsure about my options at the very moment. So perhaps I will update this if another survey is sent out.
D. Russel Lee Career Center	Being able to work with people and learn from people in my career choice
D. Russel Lee Career Center	I would study for tests and learn on how to drive and maybe do some help around like cleaning
D. Russel Lee Career Center	be able to offer days to try out a different job each friday

Student	Comments
-	
Location	
D. Russel Lee Career Center	Going to work every friday
D. Russel Lee Career Center	fixing cars
	Shadowing and/or experiences related to the career you want to go into.
D. Russel Lee Career Center	I would like to participate in some job shadowing for graphic design. The drivers ed courses would be important for me to take part in too.
D. Russel Lee Career Center	Internships for art
D. Russel Lee Career Center	Basketball and or workout activities
D. Russel Lee Career Center	I'm not sure what activities exactly. But I would LOVE for their to be activities maybe at the Natural Science Center. with the animals and the vet tech lab and equon lab
D. Russel Lee Career Center	I feel they can show us labs and help us get part time jobs
D. Russel Lee Career Center	i would like to go down and visit the welding and auto tech lab so i can get the feel for things down there
D. Russel Lee Career Center	shadow the criminal justice program or aviation
D. Russel Lee Career Center	the welding lab and or the about collision or auto mechanics class
D. Russel Lee Career Center	nap times, nap times would be great we get one hour and a half to nap like- that'd be nice um- labs should be open for every lab, i wanna do the vet tech lab.
D. Russel Lee Career Center	help me get a job
D. Russel Lee Career Center	Open labs, Part time jobs, Transportation, Shadowing
D. Russel Lee Career Center	Drivers Ed, Lab experience, job Shadow
D. Russel Lee Career Center	open labs for us to spend the day in
D. Russel Lee Career Center	drivers ed
D. Russel Lee Career Center	tutoring, job fairs, anything that helps us pick careers
D. Russel Lee Career Center	Other clubs or classes that help us with adulting
D. Russel Lee Career Center	Other clubs
Bioscience Center	I honestly cant think of anything that I would be interested in.
Bioscience Center	I plan on volunteering, shadowing at hospitals, working and doing homework at home
Bioscience Center	Shadowing
	Maybe shadowing
D. Russel Lee Career Center	I just want time to relax and gather my thoughts. A whole day where I can work on art, Drawing and music production, Maybe hang out with friends. I work every weekend so at least one day where I wouldn't have to deal with school or work would be nice
D. Russel Lee Career Center	I have no clue, and honestly dont know what this means
D. Russel Lee Career Center	Some friday's i would like to be working at my job, and some friday's i would be sitting at home
D. Russel Lee Career Center	working the whole day
Bioscience Center	adulting day

D. Russel Lee Career Center	We should take every Friday off so that the students have time to sleep in and go to work on those Fridays that we have off.
Bioscience Center	I would like to job shadow every other Friday at UC with A RN or a Nurse aid
Bioscience Center	sleep in
D. Russel Lee Career Center	study hall or job or lab, i prefer to be working and earning my money.
D. Russel Lee Career Center	Sleep
D. Russel Lee Career Center	driving school
D. Russel Lee Career Center	driving school
D. Russel Lee Career Center	work instead of being at school
D. Russel Lee Career Center	dont know
Bioscience Center	-give kids a smile -shadowing -internship -externship
D. Russel Lee Career Center	i would be working a full day at work every Friday because i have bills to pay each month. i need as much money as i can get.
Bioscience Center	Job shadowing
D. Russel Lee Career Center	Real life workplace training/ activities
Bioscience Center	working/volunteering
Bioscience Center	dance classes at drf
D. Russel Lee Career Center	i dont like it
D. Russel Lee Career Center	idk
D. Russel Lee Career Center	I don't have a specific activity that I can ask about
D. Russel Lee Career Center	Working, making more money and start dedicating Fridays to finish my assignments
D. Russel Lee Career Center	* Colleges could come here and we could look into them or here more about them * People who are looking for employees could come and see students who could be potential employees * study groups, need help with certain classes, teachers can help tutor their students * want to look into other labs? maybe have a tour day or a day you can understand someone else's lab
D. Russel Lee Career Center	I am thinking of using it as a free day using it as i need it, as a day to get caught up, or work a little more for some money or just take a break if i need one.
D. Russel Lee Career Center	job Opportunities
D. Russel Lee Career Center	Nothing
D. Russel Lee Career Center	nothing
D. Russel Lee Career Center	I would like to go interning or co-oping
D. Russel Lee Career Center	I want to go home and relax
D. Russel Lee Career Center	Study groups and scholarship classes that explain how they work and where to find them.

Location	
D. Russel Lee Career Center	Drivers ed, gym, class
D. Russel Lee Career Center	I'm mostly planning on looking at colleges and/or getting a job
D. Russel Lee Career Center	I will be mostly working on these days and getting things done that needs to be
D. Russel Lee Career Center	I will be working or interning that day.
D. Russel Lee Career Center	Drivers ed courses, how to file taxes, and how to make a computer.
D. Russel Lee Career Center	drivers ed
D. Russel Lee Career Center	Stay at home because i don't think Walmart will modify my scheduled
D. Russel Lee Career Center	nothing really i just want to be able to work more
D. Russel Lee Career Center	anything to benefit students
D. Russel Lee Career Center	How to build a server, how VM works, General IT hands on stuff.
D. Russel Lee Career Center	have the instructors available to offer extra help when needed
	I would like extra help when needed, and i would like to take a look into other labs
D. Russel Lee Career Center	imma be at work
D. Russel Lee Career Center	Not coming to school
D. Russel Lee Career Center	i would like to be able to do my inter ships on Fridays or find other options for cosmo that can help me to my further career
D. Russel Lee Career Center	I just wanna just stay at home
D. Russel Lee Career Center	driving school gym welding
D. Russel Lee Career Center	I will be at work or my internship every friday.
D. Russel Lee Career Center	drivers ed
D. Russel Lee Career Center	Maybe extra help from teachers
D. Russel Lee Career Center	None
D. Russel Lee Career Center	Maybe some more involved clubs for students to participate in.
D. Russel Lee Career Center	I may work at my job or i will be at home some days too
D. Russel Lee Career Center	Phys Ed, Drivers ED
D. Russel Lee Career Center	I want to do mostly self taught coding on those day or even go to my uncles and shadow him since he is a app developer.
	I would like to be able to work or intern on Friday's.
D. Russel Lee Career Center	nothing i will be at home asleep
D. Russel Lee Career Center	idk

D. Russel Lee Career Center	MORE time at work
D. Russel Lee Career Center	Extra curricular advanced topics
D. Russel Lee Career Center	Stay at home
D. Russel Lee Career Center	Job shadowing at DRL, collage rep visits, or collage visits
D. Russel Lee Career Center	Just time to chill and catch up and pass
D. Russel Lee Career Center	maybe a movie on some fridays
D. Russel Lee Career Center	physical education and drivers ed
D. Russel Lee Career Center	nothing
D. Russel Lee Career Center	phys ed
D. Russel Lee Career Center	Welding
D. Russel Lee Career Center	Phys ed would be the best program that could be offered to me personally
Butler Tech School of the Arts	Allowing tutoring for certain subjects
D. Russel Lee Career Center	Working Drivers Ed, CP courses
Butler Tech Natural Science Center	sign language
Butler Tech Natural Science Center	Equine all day field trip or go see different barn for equine and vet places for equine
Butler Tech Natural Science Center	more lab time
D. Russel Lee Career Center	I would like to maybe figure out where I would like to go next year for my lab during the 5th day experience days.
D. Russel Lee Career Center	If I'm not working, to have the opportunity to go on interesting field trips.
D. Russel Lee Career Center	Anything to do with being a doctor and working with sports and medicine.
D. Russel Lee Career Center	.
D. Russel Lee Career Center	Drivers Ed, checking out labs, visiting colleges, doing internships, etc.
D. Russel Lee Career Center	Job fairs
D. Russel Lee Career Center	Some type of dancing.
D. Russel Lee Career Center	Going to do different things in the career field we want to do. Also getting to meet people that have been successful in the program that I may want to go into. Also learning about the way they do things in the career classes
D. Russel Lee Career Center	maybe getting to do things in the labs they want to attend
D. Russel Lee Career Center	job shadowing

Student	Comments
D. Russel Lee Career Center	hang out with teachers, friends, or just stay home
D. Russel Lee Career Center	Idk
D. Russel Lee Career Center	ccp shadowing
D. Russel Lee Career Center	I think the shadowing jobs options is interesting
D. Russel Lee Career Center	the nursing programs
D. Russel Lee Career Center	the criminal justice one because i want to do that when i get in the 11th grade
D. Russel Lee Career Center	they should offer volunteer work and lab visits/college visits
D. Russel Lee Career Center	i most likley will try and look up techniques for photoshop at home.
D. Russel Lee Career Center	Musical literacy and/or music theory classes
D. Russel Lee Career Center	I would like some classes with new technology,possibly work more with our labs.
D. Russel Lee Career Center	Probably just work
D. Russel Lee Career Center	the activities that i would like to do is fire fighting
D. Russel Lee Career Center	I'm not sure yet.
D. Russel Lee Career Center	Having a chance to shadow nurses at a hospital or something along the lines (more so senior citizens).
D. Russel Lee Career Center	i want to attend the natural science center next year so spending some time there some Fridays would be great . As well as time to shadow at a vets office , animal sheiters etc
D. Russel Lee Career Center	Id like to go to the Bio science campus at least once during the 5th day experience but id also love to come to the campus and experience all of the options i can, but it would be awesome to go to a hospital at least once and shadow a doctor .
D. Russel Lee Career Center	go to the places related to what you want to do for your program
D. Russel Lee Career Center	I'm not sure. This system is new to me and I'm unsure what exactly is being offered
D. Russel Lee Career Center	The biomedical course
D. Russel Lee Career Center	Maybe an engineering program
D. Russel Lee Career Center	I would like to shadow firefighters, paramedics, police officer, or nurse
D. Russel Lee Career Center	Study groups or tutoring sessions. Introduction to labs we re interested in.
D. Russel Lee Career Center	I would like to try the programs if i can but ill have a job at the same time
D. Russel Lee Career Center	h
D. Russel Lee Career Center	I plan to work every friday because I will be 16 in april and I can drive then I want to earn money.
D. Russel Lee Career Center	I can't really think of any other experiences Butler tech could offer
D. Russel Lee Career Center	what ever lab you want to do your able to learn more about it and see what they do on a daily basis

Student	Comments
-	
Location	
D. Russel Lee Career Center	I plan to work, do home work, and have fun.
D. Russel Lee Career Center	Dance
D. Russel Lee Career Center	A certificate for something so that you have something to show for the time. As far as subject I would be most interested in something welding related
	I want to be able to work and come in for robotics
D. Russel Lee Career Center	Butler Tech has good offerings. I plan to do a couple college visits, get homework done, and maybe attend a few Butler Tech things (should be clear what we can do on campus these days! They aren't right now)
D. Russel Lee Career Center	Maybe tutoring sessions, lessons filing taxes.
D. Russel Lee Career Center	Lab training (extra training in your lab)
D. Russel Lee Career Center	Time with our lab instructors to work on projects or anything we need help on
D. Russel Lee Career Center	Extracurricular activities such as social gatherings for students with the school offering transportation for students who can't drive to these events.
D. Russel Lee Career Center	Teach skills such as taxes, credit, how to get loans and just other things valuable in life.
D. Russel Lee Career Center	CCP
D. Russel Lee Career Center	I would like the shadowing and the part about staying home to work online
D. Russel Lee Career Center	I would like help from Butler Tech for me to find internships, events, or jobs that can give me experience in the field that I want to pursue.
D. Russel Lee Career Center	I hope butler tech still offers bussing from colerain on fridays, and I think they should also still offer lunch options
D. Russel Lee Career Center	Teach basic life skills that we will need as we grow up, fu courses just to entertain us, and any other course that can benefit us well as adults.
D. Russel Lee Career Center	I would like Butler Tech to offer classes on credit cards and things that are needed when you become an adult
D. Russel Lee Career Center	Butler Tech should offer a home ec course.
D. Russel Lee Career Center	I would be very interested in the Drivers Ed course at Butler Tech. As it would make getting my license much easier and more smooth. I d also maybe like to experience some clubs of sorts during the fifth day experience, that would be pretty cool!
D. Russel Lee Career Center	ccp classes
D. Russel Lee Career Center	I dont know what to recommend
D. Russel Lee Career Center	I, as a student, would like to spend my Friday at home doing housework but I also would like to come here and spend the time doing something fun. I would also like to use my Fridays off hanging out with friends who might be busy on the weekends
D. Russel Lee Career Center	ACT Prep Classes
D. Russel Lee Career Center	I'm looking forward to drivers ed courses and staying at home and chilling and going to work
D. Russel Lee Career Center	I'm not sure
D. Russel Lee Career Center	I have no idea
D. Russel Lee Career Center	Driving School
D. Russel Lee Career Center	On the job training, lectures, and clubs related to our programs, for instance, physical training, and/or boxing clubs for the criminal justice ap. Other than that, some sort of student outreach program or home economics classes would help the feeling of helplessness for some students. What might be the most helpful is adjusting classes, teaching about relationships financial literacy, or how to fill a tire.

Student	Comments
D. Russel Lee Career Center	I just wanna stay home
D. Russel Lee Career Center	I think that a possible study group before testing.
D. Russel Lee Career Center	Student bonding. Like maybe set something up where random teams of like 4 or 5 are drawn from people that sign up for it, and have people like work together to complete a task. It might give people an opportunity to meet new people and make new friends.
D. Russel Lee Career Center	Anime Watching
D. Russel Lee Career Center	I would like to stay home and relax from so much stress during school days.
D. Russel Lee Career Center	I would like to take that time to look at and learn about college options.
D. Russel Lee Career Center	art classes
D. Russel Lee Career Center	Something that will help me learn and prepare more for my job in the future.
	Fire related stuff
D. Russel Lee Career Center	sleep and work
D. Russel Lee Career Center	sleep
D. Russel Lee Career Center	sfx makeup like meeting with someone or going to a makeup school
D. Russel Lee Career Center	the free driving classes
D. Russel Lee Career Center	Driver education classes
D. Russel Lee Career Center	I would work or do something related to my lab.
D. Russel Lee Career Center	Drivers Ed and any CSI or Forensic Science work.
D. Russel Lee Career Center	sports groups different activities for people that want to have fun with other people
D. Russel Lee Career Center	Marine pt, or a form of pt for everyone.
D. Russel Lee Career Center	I would like martial arts or a form of fighting for people to learn and to be able to defend themselves.
D. Russel Lee Career Center	Connections to fire stations
D. Russel Lee Career Center	Go to our home schools and spend time with our resource officers
D. Russel Lee Career Center	Spend time at local law enforcement agencies
	physical training
	study groups for certain classes, fancy lunch or like a craft day
D. Russel Lee Career Center	volunteer work, work/job, shadowing, College visits
	Driver s ed would be pretty sick. If that's available I'd probably stick with the campus option. If not I'd do a lot of volunteering at a campaign office
D. Russel Lee Career Center	- volunteer work - work - shadowing - college visits
D. Russel Lee Career Center	Extra time in Graphic Design Geiser's lab
D. Russel Lee Career Center	I would like to visit some colleges and put a step into my career and get things taken care of. I would also like to relax at home sometimes.
D. Russel Lee Career Center	Driving Ed, dance groups, etc. Something exciting!

Student	Comments
-	
Location	
D. Russel Lee Career Center	Extra help
D. Russel Lee Career Center	drivers ed
D. Russel Lee Career Center	school dances, drivers ed, spirit shop, the criminal justice kids could teach students how to fight and protect themselves, fire fighting could show how to safely put out a stove top fire
D. Russel Lee Career Center	I don't think they need to offer activities. We don't get to go on spring break and kids should be able to go home and do what they want.
D. Russel Lee Career Center	I would like to learn a little bit more about my program and maybe take a trip to the fire house or come in for a little more training.
D. Russel Lee Career Center	I feel like not a bunch of students meet other people well, so I feel like one Friday we should do like a better together day, we're 2 or more of people from a different lab get seperated into groups and we go to do different things that the teachers pick and we all have fun and get more friends.
D. Russel Lee Career Center	ok
D. Russel Lee Career Center	I think it would be really cool since i'm in criminal justice to spend a few fridays at our home school and be with our resource officer
D. Russel Lee Career Center	Dancing, Communication classes, Cheerleading, criminal justice,
D. Russel Lee Career Center	I would like to do drone training and help out around the school on anything that they need
D. Russel Lee Career Center	Ride alongs, work, other
D. Russel Lee Career Center	Drivers Ed courses and maybe some overall driving practice.
D. Russel Lee Career Center	I would like to do ride along with different departments
D. Russel Lee Career Center	Connections to local fire stations and hospitals
D. Russel Lee Career Center	School bonding functions
D. Russel Lee Career Center	Shadowing I think allowing students to see what people in their career actually do is very beneficial, as they could better prepare and better understand what they are learning.
D. Russel Lee Career Center	I think for the criminal justice kids it would be cool to do something like bring in some K9 unit dogs for us to see and stuff
D. Russel Lee Career Center	Tutoring if needed.
D. Russel Lee Career Center	work at my job
D. Russel Lee Career Center	job shadowing
D. Russel Lee Career Center	Drivers ED
D. Russel Lee Career Center	Random idea, mostly because it's a huge interest of mine. Maybe drop in some crafting classes. Personally, I can make kandi bracelets and puffs (look into it). Supplies are super cheap and it's fun and creative. I have a lot of people ask me about my stuff, so I think that there might be a few other people who would want to learn how to make it. Even if someone joins just 'cuz, people have a lot of fun with it.
	Drivers ed courses
D. Russel Lee Career Center	Drivers ed courses
D. Russel Lee Career Center	the drivers ed option, I need to learn how to drive and I never get time to do it, so this would be great for me
D. Russel Lee Career Center	Maybe something that's about their program
D. Russel Lee Career Center	I would like to have drivers ed so that I can get my license

Student	Comments

D. Russel Lee Career Center	A school social that everyone can interact with other people there. They could also sign up for a fun activity like a creative writing class, a Zumba class, or something to get us going.
D. Russel Lee Career Center	Driver's Ed
D. Russel Lee Career Center	Free food for people who don't have money for food at that time
D. Russel Lee Career Center	Improving my skills in Digital Media.
D. Russel Lee Career Center	I would possibly like to have like a field day or something like that. I would also like to stay home sometimes to take a mental health day.
D. Russel Lee Career Center	Sleeping in, or photography things Food!
	I am fine with any really
D. Russel Lee Career Center	sleeping in at home
	Non school related activities.
D. Russel Lee Career Center	I wanna be outta here and make money
D. Russel Lee Career Center	go to work
D. Russel Lee Career Center	Just let the kids go to work or catch upon work they've missed throughout the week
D. Russel Lee Career Center	It all good.
D. Russel Lee Career Center	I enjoy leaving in the middle of the day and makin money
D. Russel Lee Career Center	I like leaving in the middle of the day and being able to go to work
D. Russel Lee Career Center	It all good
D. Russel Lee Career Center	to help students get jobs
D. Russel Lee Career Center	Nothing i would like to work and make money an learn about my feild
D. Russel Lee Career Center	Nothing, I want to work and make money.
D. Russel Lee Career Center	i will be working on that day
	i would like to learn to weld
D. Russel Lee Career Center	more time off
D. Russel Lee Career Center	weldings and going to work
D. Russel Lee Career Center	I would just want to go to work.
D. Russel Lee Career Center	I just want to work.
D. Russel Lee Career Center	a drive in movie and stuff like that
D. Russel Lee Career Center	working skills
D. Russel Lee Career Center	Help with filling out job applications

Student	Comments

Location	
D. Russel Lee Career Center	Job shadowing and ride time
D. Russel Lee Career Center	Ride time for my lab and job shadowing
D. Russel Lee Career Center	drivers ed is more than enough
D. Russel Lee Career Center	I'd like to experience a drivers ed course, although I would be interested in a drumming course
D. Russel Lee Career Center	I like the after school clubs we can do but I would rather stay at home then go to school
D. Russel Lee Career Center	driving school
D. Russel Lee Career Center	N/A
D. Russel Lee Career Center	Hosting college fairs, providing transportation for college visits, offering opportunities for volunteer/internship work, and allowing students to stay on campus in the event that food is not readily available at home, or for other, similar reasons
D. Russel Lee Career Center	Shadowing
D. Russel Lee Career Center	Personally, I'll mostly be using these Fridays as a free day to relax and catch up on anything that I'm behind on, as well as take a day to work on music and study sound design. This extra day is important to me because I find myself being very busy with school and with band, and I feel that it would benefit me most to take one more day to myself. I hope for some days though that I can visit colleges and/or job shadow at different businesses.
D. Russel Lee Career Center	Unless I have learned how to drive or have received my temps, I would like to take the driver's ed course. If I have already achieved my goal at getting my temps and license to drive, then I'll usually stay home to decompress and relax.
D. Russel Lee Career Center	clubs and or groups containing people with my interests.
D. Russel Lee Career Center	i would maybe like to have things like clubs and small group events.
D. Russel Lee Career Center	experience in my career field
D. Russel Lee Career Center	I will probably take some time at home to relax and catch up on work, but also to work on drivers Ed out of school, because I probably won't have transportation for the on campus Ed, though if possible I will consider it. Also if possible I would like to work on lab work on campus if that's a possibility, though I'm not certain if it is yet.
D. Russel Lee Career Center	Beneficial types of classes and new, helpful experiences
D. Russel Lee Career Center	Unsure, I'll figure it out when it begins.
D. Russel Lee Career Center	I want to do an internship or job shadowing, i want to see what people do in an IT job
D. Russel Lee Career Center	ACT Practice
D. Russel Lee Career Center	study groups
D. Russel Lee Career Center	Welding
D. Russel Lee Career Center	stay at home
D. Russel Lee Career Center	I think that the Fifth Day Experience is a good opportunity for kids to get more real world experience as it is related to their labs. Other options, such as the drivers education, is a useful way for kids to get experience in driving at the school that they attend. Butler Tech should definitely try to offer a Drivers' education program, along with other forms of education for upcoming tests for students, such as the ACT, SAT.
D. Russel Lee Career Center	more experiences to be able to get real job experience for our field
D. Russel Lee Career Center	Im going to intern at my dadas work
D. Russel Lee Career Center	Game Club/ Game Design class.
D. Russel Lee Career Center	Fire

D. Russel Lee Career Center	Tutoring for things like physics and geometry.
Butler Tech School of the Arts	Academic help or another flex day but you stay in one class until all missing work is done, then you can go to your other class.
D. Russel Lee Career Center	I will be going to work with my brother at his job painting flooring. Then on some of the other Fridays I will be staying home and relax.
D. Russel Lee Career Center	Drivers ed courses
D. Russel Lee Career Center	drivers ed
Butler Tech School of the Arts	The Stay at home option for the students to be able to get internships and stuff
D. Russel Lee Career Center	i would like to do the welding lab
D. Russel Lee Career Center	new courses
	none
D. Russel Lee Career Center	i like it so i can work and learn more stuff
	basketball in the gym
Butler Tech School of the Arts	Volunteering Opportunities
D. Russel Lee Career Center	On these Fridays I plan to take the opportunity to do internships and take college visits. Butler tech could help with this by posting internship opportunities specific to each program.
D. Russel Lee Career Center	study group
D. Russel Lee Career Center	I would most likely work or go to my home school and see if there is anything I need to do to help get stuff ready for games. I would take a day to myself when i have a game so i'm not wore out.
D. Russel Lee Career Center	It would be nice if i could go to work every Friday and miss school
D. Russel Lee Career Center	none
D. Russel Lee Career Center	drivers ed classes
D. Russel Lee Career Center	Machining Lab
D. Russel Lee Career Center	an after school program it's when you play games interact with clubs and you talk in a group for a little about random things
D. Russel Lee Career Center	Drivers education
D. Russel Lee Career Center	Letting us stay home and not worry about things
Butler Tech Natural Sciences Center	yes
	I don't know
D. Russel Lee Career Center	I would be working on the Friday's we get off

Student	Comments
D. Russel Lee Career Center	drivers ed courses
D. Russel Lee Career Center	driver ed
D. Russel Lee Career Center	Maybe offer a class that can teach students how to apply for a career within their field of study. What skills they may need and or how best to find a business to apply for
D. Russel Lee Career Center	The driving classes would be nice Or clubs maybe?
D. Russel Lee Career Center	more time in labs
D. Russel Lee Career Center	Maybe movies.
D. Russel Lee Career Center	I would like to be in a outside eating place or do more events
D. Russel Lee Career Center	Ill be working almost every Friday but i would like to see tutoring options.
D. Russel Lee Career Center	dances,cooking labs,drivr ed course
D. Russel Lee Career Center	Honestly I want to stay home to be able to relax. Its very stressful during the year and we need to be able to take that day to relax and be able to destress. I might come to just be able to experience some things with the 5th day experience
D. Russel Lee Career Center	I would just like to go to work get a little money on the side because it is really hard to put in the hours while school is going on and i would be going to work at a place that specializes in my career so it would not be just any job ill be getting experience so i can be a better machinist.
D. Russel Lee Career Center	A Class to help people catch up when there behind or something to do with extra lab time
D. Russel Lee Career Center	If there was a drivers ed cores that was here I would come every Friday until i passed it
D. Russel Lee Career Center	I think people should have the opportunity to find an internship for there Friday.
D. Russel Lee Career Center	I would like to experience kind of like a job shadowing day so that i can learn what i will do on the job
	We need to get driving classes
D. Russel Lee Career Center	They should open up all labs and allow students to get some experience and try new things that butler tech offers.
D. Russel Lee Career Center	I will be working on most of the Fridays.
D. Russel Lee Career Center	weel overall i will be staying home and also would like to experience collage trips and interships
D. Russel Lee Career Center	soccer
D. Russel Lee Career Center	I don t know
D. Russel Lee Career Center	I'm very interested in the ability to job shadow on these days as well as take driver's ed. I also think that Butler Tech should offer test prep and other tnings of that type.
	On fridays I believe they should let us do anything we want even if its getting caught up on missing work
D. Russel Lee Career Center	I would only go to work, or use those Fridays to get work done
D. Russel Lee Career Center	I would be interested in trying out and working in my second lab option, maybe you could learn some things about another lab. Weld
D. Russel Lee Career Center	extra labs
D. Russel Lee Career Center	Heating and cooling
D. Russel Lee Career Center	I don t need it but driving school would be good or maybe fun additional classes

Student	Comments
-	
Location	
D. Russel Lee Career Center	Lab time
D. Russel Lee Career Center	cosmology, hair braiding
D. Russel Lee Career Center	I most likely wont be coming onto campus, ill probably just be staying at home and going to work
D. Russel Lee Career Center	driving classes
D. Russel Lee Career Center	N/A
D. Russel Lee Career Center	none
D. Russel Lee Career Center	College visits, resting, work, finding a job, studying, schoolwork, etc
D. Russel Lee Career Center	I have nothing in particular I would like to see on these Fridays.
D. Russel Lee Career Center	I believe the best option is the drivers ed courses because it helps out student who don't have their drivers licenses help get them.
D. Russel Lee Career Center	idk
D. Russel Lee Career Center	I could be working in the kitchen at my job because i'd be getting alot of hands on work in culinary.
D. Russel Lee Career Center	N/A
	Drivers Ed. I won't take it because I drive already but it will e very helpful to others.
D. Russel Lee Career Center	Every option i could think of wanting to do is already offered.
D. Russel Lee Career Center	Lab events and extra help days like flex if the Tuesday and Thursday are not enough
Butler Tech School of the Arts	I'd like to be able to relax more and work from home
D. Russel Lee Career Center	haircuts
Butler Tech Natural Science Center	I would love to have time to leave campus to get lunches and things of that nature.
D. Russel Lee Career Center	Building stuff.
D. Russel Lee Career Center	any ideas to add from me at butlertech
D. Russel Lee Career Center	im not sure
D. Russel Lee Career Center	Haircuts
D. Russel Lee Career Center	BPA tournament and job shadowing
D. Russel Lee Career Center	I will be job shadowing.
D. Russel Lee Career Center	Either stay at home to stream to maybe earn more money
D. Russel Lee Career Center	I would like to find a place that I can go job shadow for the day, and maybe learn even more
D. Russel Lee Career Center	more hand on experience

Student	Comments
Location	
Butler Tech School of the Arts	Our Arts classes should still be open incase we want to come practice or create something
D. Russel Lee Career Center	Job shadowing
D. Russel Lee Career Center	driver ed courses, college help, preparing for the future
D. Russel Lee Career Center	I think maybe some clubs could be cool. Like a chance for students to get together and hang out might be fun
D. Russel Lee Career Center	video gaming, sports options or just staying home keep myself busy
D. Russel Lee Career Center	I would like to experience an almost career days type of program. Some different subjects of learning, like for IT it could be cybersec at one location, Coding at another, Web Design somewhere else, etc.
D. Russel Lee Career Center	I personally think that butler tech not really get involved in what students do on the fifth option. I think that if a school is going to offer an off day to go do stuff then give students more outlets outside of school. It's far easier for a school to get in contact and have a little bit of influence when it comes to opening co-op opportunities. A student would probably get shut down immediately when asking about co-op opportunities.
D. Russel Lee Career Center	-Lab exploration -Something that goes with art and cooking -let us paint our parking spots or like decorate the parking lot- like it can be easily cleaned up but like it would be so fun. -Art club
D. Russel Lee Career Center	I would like to have a club that would allow me to meet people that are like me, the ones who can't find a group to belong too
D. Russel Lee Career Center	nothing probably
D. Russel Lee Career Center	idk
D. Russel Lee Career Center	just stay at home
D. Russel Lee Career Center	i will be staying home
D. Russel Lee Career Center	n/a
D. Russel Lee Career Center	NA
	I would like to just work. Unless we have something that has to do with cooking .
D. Russel Lee Career Center	I'd rather use to time to work or do projects for school (i.e. CCP Writing assignments if assigned over the weekend).
	I just plan to work
D. Russel Lee Career Center	How to customize shoes.
D. Russel Lee Career Center	Parties. As long as there're food and games, that would be the best option for fun
D. Russel Lee Career Center	Optional events in cyber lounge, cafeteria, etc.
D. Russel Lee Career Center	Tutoring sessions or Drivers ED
D. Russel Lee Career Center	Clubs
D. Russel Lee Career Center	Driver's ed
D. Russel Lee Career Center	drivers ED
D. Russel Lee Career Center	We should get time to work on lap projects on these "off" days. Having this fifth day experience isn't fair for labs that don't have co-op options. We should get a spring break.
D. Russel Lee Career Center	I don't know

Student	Comments
-	
Location	
D. Russel Lee Career Center	I think this 5th day experience is dumb I'm in Graphic design and 4 days a week is not enough time to work and finish projects EFFICIENTLY. It's irrelevant to certain labs and some people need to be here. And I need a Spring Break cause that's one of the only times I get to spend time with my grandma who lives a few hours away. This isn't fair to all labs some may benefit but ours isn't, we can't co-op, intern, or finish projects
D. Russel Lee Career Center	freetime
D. Russel Lee Career Center	man I love tacos, I WANT MORE FOOD, MORE, I'M HUNGRY. HUNGER DRIVES ME TO RUN FOR MORE FOOD
D. Russel Lee Career Center	idk
D. Russel Lee Career Center	No, I think we just need to have our spring break back and just remove the Fridays because most of us don't really do anything productive at home on Friday
D. Russel Lee Career Center	don't know. . . catch up work
D. Russel Lee Career Center	eat my potatoes
D. Russel Lee Career Center	This might already be an option, but I personally think a good option would be the opportunity for more time on work and/or tests, and get help from any teachers present.
D. Russel Lee Career Center	web design or web development
D. Russel Lee Career Center	Other courses like CCP courses
D. Russel Lee Career Center	n/a
D. Russel Lee Career Center	I don't know
D. Russel Lee Career Center	i need more details because i was unaware of the activities and would need more info to respond
D. Russel Lee Career Center	I don't know, not here long enough to get into that
D. Russel Lee Career Center	I am gonna stay at home and go to work.
D. Russel Lee Career Center	I just want to work
D. Russel Lee Career Center	VR/Gaming Club, Coding Class, Art Class.
D. Russel Lee Career Center	i would be doing sports or doing my job that i would currently would have
D. Russel Lee Career Center	I honestly don't know maybe we could make clubs or something?
D. Russel Lee Career Center	would rather have a spring break. 4 day weeks aren't a bad idea, but we're missing our much needed spring break
D. Russel Lee Career Center	partys, Collage visits Etc
D. Russel Lee Career Center	I think it would be cool if they had different driving groups that have safe driving courses that kids could take advantage of.
D. Russel Lee Career Center	Keep it the same.
D. Russel Lee Career Center	extra time in lab
D. Russel Lee Career Center	I don't really know, the activities above seem just fine in my opinion but I will be okay with anything Butler Tech offers but I prefer the staying at home option or the external option.
D. Russel Lee Career Center	i'd need more details on the options before i chose, but right now i think i'm going to stay home most days
D. Russel Lee Career Center	Nothing, leave it the way it is.

D. Russel Lee Career Center	All Day Lab Working
D. Russel Lee Career Center	N/A
D. Russel Lee Career Center	
D. Russel Lee Career Center	I don't know.
D. Russel Lee Career Center	N/A
D. Russel Lee Career Center	none
D. Russel Lee Career Center	The ability to check out other labs and combine lab experiences together to make the most out of each lab. As well, college advice or even help could help if people come onto campus
D. Russel Lee Career Center	Clubs or other extra-curricular activities would be a welcome addition to the school week
D. Russel Lee Career Center	Cook outs and get together s under water basket weaving
Butler Tech School of the Arts	i would like to attend with the animals and maybe bio-science
D. Russel Lee Career Center	Activities relating to the students lab
D. Russel Lee Career Center	Underwater Basket weaving
D. Russel Lee Career Center	have fun activitys to do in each lab tthat someone is interested in
D. Russel Lee Career Center	no ideA
D. Russel Lee Career Center	new lab experiences, drone courses, college visits and working
D. Russel Lee Career Center	All listed are good options that I would be interested in.
D. Russel Lee Career Center	Nothing everything is fine.
D. Russel Lee Career Center	Student dinners to socialize without the stress of school
D. Russel Lee Career Center	I would like to experience what the other labs in butler tech do.
D. Russel Lee Career Center	I'm not sure
D. Russel Lee Career Center	hands on and shadowing
D. Russel Lee Career Center	Anything that makes kids want to go.
D. Russel Lee Career Center	Drivers ed.
D. Russel Lee Career Center	Ride alongs
D. Russel Lee Career Center	fashion shows
Bioscience Center	More lab projects, machinery examples. How to use equipment like the 3D printer. Stuff like that
Bioscience Center	Shadowing

Student	Comments

Bioscience Center	I would like to be able to get my internship done at Westchester hospital if possible or I would like to be doing college visits or anything that would be helpful for me for college and/or my career.
Butler Tech School of the Arts	CCP classes, drivers ed and different labs and classes that don't necessarily involve academics.
Butler Tech School of the Arts	Extra dance practices or activities for college.
Bioscience Center	Clinicals
Bioscience Center	I will try to volunteer at the Cincinnati Children's hospital, work on homework at home, or go to work in the morning.
Butler Tech Natural Science Center	Doing an internship at a Vet Clinic
Bioscience Center	just were we chose what we want to do.
Butler Tech School of the Arts	Drivers education would be awesome
Bioscience Center	going to work, job shadowing and having a little bit of down time on a Friday
Bioscience Center	I am going to be working at my job, volunteer with PAUSE, and work on my college classes.
Bioscience Center	pick out their own clothing
Butler Tech Natural Science Center	offer internships
Bioscience Center	I would love to decompress and just finish assignments at a leisurely pace. I would also like to start volunteer, so I could do that on Fridays too!
Bioscience Center	clinicals or work on showcase activities
Bioscience Center	School work days or shadowing days.
D. Russel Lee Career Center	More job related experiences
Bioscience Center	I would want to do volunteer work when I'm not working on Friday's and other days I would just like to stay at home and sleep in and catch up on sleep and homework
D. Russel Lee Career Center	Maybe an extra day off or to study or work at longer shift at work
D. Russel Lee Career Center	Like a game day or relax day to chill at home with your family
D. Russel Lee Career Center	on some Fridays there should be a time to help kids make up work t try and fix there grades so they can co-op on the Fridays
D. Russel Lee Career Center	Work availability
D. Russel Lee Career Center	jh
D. Russel Lee Career Center	counseling or tutoring maybe or the opportunity to see what other classes are like
D. Russel Lee Career Center	more training options
D. Russel Lee Career Center	The chance to have an extra day off, staying at home
Bioscience Center	I would love to watch more surgeries and shadow people in a hospital.
Bioscience Center	I don't care
Bioscience Center	Phlebotomy skills and shadowing. Maybe a paramedic or EMT skills training.
Bioscience Center	I think that students should be able to come to school on Fridays for a quiet place to do work/study
Bioscience Center	college visits

Student	Comments
Location	
Bioscience Center	get a group of students together and go on college visits
Bioscience Center	scholarship
Bioscience Center	I want to work every other Friday, and the Fridays I don't work I want to job shadow
Bioscience Center	I would like to have time to practice my skills for STNA and have a devoted study day, as well as perhaps a stress-free day.
Bioscience Center	Working on future projects, and opportunities for volunteer hours.
Bioscience Center	Study sessions like for upcoming tests
Bioscience Center	I like the idea, but we'll see how it goes
Butler Tech School of the Arts	I don't know
Butler Tech School of the Arts	internships, student aiding, training
Butler Tech Natural Science Center	a college zoology course or college feline behavior course.
Butler Tech Natural Science Center	finish up Fridays we can go to any academic class we want and catch up on our courses
Butler Tech Natural Science Center	doing a job on that day, volunteering somewhere, and also taking the day off
Butler Tech Natural Science Center	N/A
Butler Tech Natural Science Center	Intern options
Butler Tech Natural Science Center	Foreign Language Classes
Butler Tech Natural Science Center	To meet my online course teachers/instructors. To have more time to study and complete my work.
Butler Tech Natural Science Center	Drivers ED
Butler Tech Natural Science Center	Get experience for my future, and learn more about the things I am interested in
Butler Tech Natural Science Center	Nothing
Butler Tech Natural Science Center	I would really love to experience the drivers Ed courses
Butler Tech Natural Science Center	All the activities that were suggested in the campus option I liked very much. I see that there are many opportunities, and I plan on taking every advantage to put me farther
Butler Tech Natural Science Center	Idk
Butler Tech Natural Science Center	Volunteering and Working
Butler Tech Natural Science Center	I would like to experience more heavy machinery

Student - Location	Comments
Butler Tech Natural Science Center	I will be working on these days
Butler Tech Natural Science Center	nothing day, no homework NOTHING my day to relax and catch up on work if needed or use the day to work
Butler Tech Natural Science Center	I am going to work all day at my Vet clinic so I can get more experience and time in
Butler Tech Natural Science Center	working on things that I need to work on and don't have time for them to be worked on
Butler Tech Natural Science Center	work and horse shows
Butler Tech Natural Science Center	Animal Adoption Fairs
Butler Tech Natural Science Center	I'll have more time to work on CCP homework and more opportunities to work in a vet office or volunteer.
Butler Tech Natural Science Center	I just want to work
Butler Tech Natural Science Center	some fun activities at the end of every week, month or quarter
Butler Tech Natural Science Center	Small activities on/in the Butler tech campus for kids who don't want to go to any of the off campus events but don't have the option of staying home.
Butler Tech Natural Science Center	college visits, internships, working at my job, work online
Butler Tech Natural Science Center	drivers education
Butler Tech Natural Science Center	nothing
Butler Tech Natural Science Center	Outlets to job shadowing relating to our programs
Butler Tech Natural Science Center	Most likely working and getting missing work done
Butler Tech Natural Science Center	I'd like to experience lots of sleep.
Butler Tech Natural Science Center	I have no idea what I would want them to offer. I am more than likely just going to use the day to work.
Butler Tech Natural Science Center	Nothing
Butler Tech Natural Science Center	Working/volunteering, co-op, internships, job shadowing, scholarships
Butler Tech Natural Science Center	I would like to learn more in depth about specific animals
Butler Tech Natural Science Center	I would love more class time instead of the showcase

Student	Comments
Location	
Butler Tech Natural Science Center	IDK
Butler Tech Natural Science Center	open house to come see the animals and take care of them
Butler Tech Natural Science Center	I would love to visit more colleges on these Fridays
Butler Tech Natural Science Center	Volunteering, working and getting caught up on schoolwork or homework. I would also like to intern at some vet clinics
Butler Tech Natural Science Center	coming back to the campus and helping with animal care
Butler Tech Natural Science Center	Being able to not have a schedule to follow, and getting things done on my own time.
Butler Tech School of the Arts	Internships and apprenticeships
Butler Tech Natural Science Center	i plan on working on getting an internship or a job at a vet office to use the fridays for also i plan on doing some college visits too
Butler Tech Natural Science Center	Being able to work more hours at my job and also on my homework.
Butler Tech Natural Science Center	Doing internships for people to get experience in a certain field
Butler Tech Natural Science Center	availability to be able to go to other areas (like another campus or job) to learn and work etc.
Butler Tech Natural Science Center	Work experience i'd like to experience on Fridays.
Butler Tech Natural Science Center	Being able to work more hours.
Butler Tech Natural Science Center	Work
Butler Tech Natural Science Center	online class help
Butler Tech Natural Science Center	.
Butler Tech Natural Science Center	we should have a motocross team for butler tech
Bioscience Center	I will do shadowing hours for lab until I meet the requirement, then after that Fridays will be me days, cleaning my house, doing homework, stretches, extra rest etc.
Butler Tech Natural Science Center	by the end of this year i'd like to be able to do calf roping, barrel racing and just train a rodeo horse in general i want Fridays to be the best days of my my last two years not sit at home and do nothing. i plan on earning my Eagle scout this fall so that would open up ALL of my free time so i'd be able to party all the time with the horses.
Butler Tech Natural Science Center	kind of do our own thing if we can come here or not come here
Butler Tech Natural Science Center	I would like to see more internship activities.
Butler Tech Natural Science Center	no school on fridays

Student Location	Comments
Butler Tech Natural Science Center	I would like to experience other labs that relate to my lab
Butler Tech Natural Science Center	Internship, job opportunities, job fair,
Butler Tech Natural Science Center	nothing
Butler Tech Natural Science Center	College Campus Tours/Visits, job opportunities for our careers or in general (i don't have one). Shadowing would be very educational.
Butler Tech Natural Science Center	internships and drivers ed courses
Butler Tech Natural Science Center	on those Fridays i plan on going to my barn and helping to training horses and continuing my education in the real world
Butler Tech Natural Science Center	I would love to shadow, intern, or assist with a large animal Veterinarian.
Butler Tech Natural Science Center	Bringing my horses every Friday to ride with friends and give my horses and me more experience. and or working a long shift at one of my jobs
Butler Tech Natural Science Center	working at my job with horses
Butler Tech Natural Science Center	Personally, I'm going to be working my barn job or working on my apprenticeship. If Butler Tech would offer more apprenticeship options that would be cool
Butler Tech Natural Science Center	Drivers ed, internships, job opportunities, college visits, tutoring
Butler Tech Natural Science Center	I dont know
Butler Tech Natural Science Center	college visits
Butler Tech Natural Science Center	I really don't know
Butler Tech Natural Science Center	College visits
Bioscience Center	internships, clinicals, study time, relax working experiences
Bioscience Center	I would like to experience the option of coming to school and working in a quite environment.
Butler Tech School of the Arts	I would like to experience directing classes
Bioscience Center	I want to use my Fridays off to either work or go to an internship or shadowing experience
Bioscience Center	Going on college tours
Bioscience Center	I would just like to come to school on Fridays so my academics aren't compressed and I can take regularly scheduled CCP course. I feel as though I have to drop certain classes next semester due to labs, tests, etc. I don't like this.
Bioscience Center	They can let us out of school on Fridays so we can have a longer weekend and more time to work and finish school work
Bioscience Center	Study hall
Bioscience Center	I feel like the 5th day experience should be used to get caught up, to just relax, or work. For me i'll be spending most of my Fridays working.
Bioscience Center	At this point in time I don't have any activities to recommend

Student	Comments
Location	
Bioscience Center	Art classes
Bioscience Center	Offer ways to volunteer
Butler Tech Natural Science Center	field trips
Bioscience Center	college information for the juniors, to prepare them. Volunteer work and preparing for career days.
Butler Tech School of the Arts	what ever comes to me
Bioscience Center	job shadowing for job or maternity
Butler Tech School of the Arts	I'm not sure that about the whole thing
	Focus on taking classes that give better understanding of a field of study I want to pursue
Bioscience Center	driving ed courses and working
Bioscience Center	I would like a variety of options to do on the Fridays, mix them all up and just get involved in work, family and career
Bioscience Center	pick out our own clothes and shoes
Bioscience Center	Shadowing and going to the hospital
Bioscience Center	Chase that bag
Bioscience Center	job shadowing, college visits, and get caught up on work for classes.
Bioscience Center	Clinicals, Job-Shadowing opportunities and tutoring
Bioscience Center	stay at home, some clinicals, some college visits, CHASE THAT CHECK.
Bioscience Center	probably stay at home and catch up on homework and projects and use that day for doctors appointments and other things
Butler Tech School of the Arts	I have no idea. I think what you guys are doing is good enough.
Bioscience Center	n/a
Bioscience Center	college visits, catching up on my work and mental health
Bioscience Center	college visits, work experience
Bioscience Center	I would like to be able to go to the hospital and watch cardiac surgeries, as well as possibly having time to do small study groups, or possibly start a debate club/ have volunteer opportunities for that day.
Bioscience Center	I'd just work more on Fridays, since it's not an option.
Bioscience Center	clinical opening every Friday
Bioscience Center	Umm go see dogs for pet therapy ,
Bioscience Center	Clinical experiences with new partners that helps with our career choices Skills help in STNA
Bioscience Center	i do not want the fifth day experience because i would like to have that fifth day at school to ask my teachers for help with homeworks i dont understand
Bioscience Center	Different study groups or for the seniors in STNA, Friday time with Muenchen so we can practice skills we need to learn
Butler Tech School of the Arts	I would like to experience maybe time to catch up on things, or have time to decompress.
Butler Tech Natural Science Center	firefighting
Butler Tech Natural Science Center	working and making money.
Butler Tech School of the Arts	College visits

Student:	Comments
Location	
Butler Tech School of the Arts	snoes and music
Butler Tech Natural Science Center	I dont know yet
Butler Tech Natural Science Center	I don t know yet
Butler Tech Natural Science Center	I would maybe work for people or maybe work on landscaping at home
Butler Tech Natural Science Center	i think if people have a job they should work on that day full hours and if someone doesn't have a job and they dont have alot of make up work and homework it can be used as another break day
Butler Tech Natural Science Center	i should be able to go to work if i have a job
Butler Tech Natural Science Center	Field trips and/or Studying for other classes
Butler Tech Natural Science Center	I want to work more and maybe volunteer to an animal shelter
Butler Tech Natural Science Center	I would like to experience with visiting different colleges and options and hoping to get caught up in my work. I would like to also experience taking an internship somewhere that will help me in the long run
Bioscience Center	I would do the external option the most and the stay at home option to catch up on work of further my studies but sometimes i would do the campus offerings probably just for the drivers ed course or the financial literacy because i think that is something that i would definitely want to learn that i would be able to learn on a normal school day or weekend.
Butler Tech Natural Science Center	Hopefully I would like to experience: Job shadowing Completing Spanish 2
Butler Tech Natural Science Center	surgeries on animals and shadowing job and attending college vet classes
Butler Tech Natural Science Center	anything works
Butler Tech School of the Arts	I'm excited to have the opportunity to visit different colleges.
Butler Tech School of the Arts	I am not sure on what Butler Tech "should" be offering, but I am always open to new ideas! Especially if it involves the arts and competition. Would Butler Tech offer classes at the campus for me to attend to, if so, what classes are there and how do I apply? For my fifth day experience, it would consist of decompressing, volunteering, work on my CCP class, practice new art project and techniques, and looking up art competitions. I am extremely excited about this opportunity. The fact I can work on my assignments and arts while relaxing and working at my own time sounds absolutely lovely. I cannot wait! Thank You!
Bioscience Center	I feel not all things should be required but more of an option for those who want to do it and may not have those opportunities during the regular school days
Bioscience Center	I would like more lab related things on these fridays
Bioscience Center	Going on college visits, shadowing someone in what i want to go into
Bioscience Center	I would love to get more Hospital visits and maybe visit a different state regarding healthcare. It would be cool to take field trips to different places.
Butler Tech Natural Science Center	anything with animals.
Butler Tech Natural Science Center	other possible career paths field trip specific to the person one day
Butler Tech Natural Science Center	I plan on doing college visits, internships, & staying at home to relax on Fridays.
Butler Tech Natural Science Center	animal care
Butler Tech Natural Science Center	Internships or just getting to stay home

Student	Comments
Location	
Butler Tech Natural Science Center	more extra curricular activities
Butler Tech Natural Science Center	Volunteering at animal shelters and working more at my job.
Butler Tech Natural Science Center	Germany, Swedish
Butler Tech Natural Science Center	anything works
Butler Tech Natural Science Center	Activities revolving around our lab.
Butler Tech Natural Science Center	If Butler Tech offers college visits on campus I would love to be able to come on campus to check it out. I would like to be able to get in more work hours. The only thing I don't like is that we don't get a spring break and that even after we graduate we would still have to come in for another 13 more days.
Butler Tech Natural Science Center	I don't know
Butler Tech Natural Science Center	I don't really have the option of participating on Fridays, I have things to do at home and I will have to work. If I had to suggest something, I would say more work with the animals. Keep it related to the school in question.
Bioscience Center	I would like to go to hospitals and clinical's. I would also take advantages of getting my work done and getting the help I need.
Butler Tech Natural Science Center	I don't know
Butler Tech Natural Science Center	not sure
Butler Tech Natural Science Center	drivers ed or working at a job
Butler Tech Natural Science Center	Extra help maybe
Butler Tech Natural Science Center	Possibly an internship
Butler Tech Natural Science Center	working
Bioscience Center	tutoring
Butler Tech Natural Science Center	Actual class so we could maybe finish school sooner and have a normal spring break without risking losing our laptops. This is a dumb idea and it doesn't work well for our home school districts which Butler Tech always promised we could be working in unison with. Just let us graduate on time without trying to do all this useless extra stuff.
Butler Tech Natural Science Center	Maybe we could add more extra curricular activities?
Butler Tech School of the Arts	YES
	college searching and readiness
Butler Tech Natural Science Center	Maybe American Sign Language
Butler Tech School of the Arts	ACT practice test days.
Butler Tech Natural Science Center	Internships and shadowing at real life veterinary work places.

Student	Comments
Location	
Butler Tech School of the Arts	N, A
Butler Tech Natural Science Center	working at an animal clinic
Butler Tech School of the Arts	I like all the options you have provided. Mostly the collage visits
Butler Tech Natural Science Center	I m not sure.
Butler Tech Natural Science Center	a free day where we do games and have fun with the whole school
Butler Tech School of the Arts	If they offered various art classes at SOA, I would come and attend and take those.
Butler Tech School of the Arts	I would like to maybe have people from colleges coming and talking about what college is like.
Butler Tech Natural Science Center	not sure yet
Butler Tech School of the Arts	I think on Fridays there should be an extra chance to learn how to adult
	I plan to stay home and sleep or use this time to go on visits or work.
Butler Tech Natural Science Center	I d like to be able to go to work in the morning on Fridays. Then fit any school work or anything of that sort later in the day.
Butler Tech School of the Arts	art classes
Butler Tech School of the Arts	Give out options if internships or campuses we could go to that Friday.
Butler Tech Natural Science Center	I would like to job shadow at a vet clinic, or get an internship at a zoo.
Butler Tech School of the Arts	working during the day on a friday
Butler Tech School of the Arts	I m not sure.
Butler Tech Natural Science Center	Im either going to be at home or at work. So I couldn't go a campus anyway. But a mental health coping course would be nice.
	Art Classes
Butler Tech Natural Science Center	Butler Tech should offer internship options for people or help them find an internship that would help them most
Butler Tech Natural Science Center	Well I will use that day to mostly relax and sleep in. I will go into work and get more hours. Maybe 2 college visits, I really don't know.
Butler Tech Natural Science Center	Riding Lessons
Butler Tech Natural Science Center	?
Butler Tech Natural Science Center	different types of work with horses off campus working with different farms and gaining as much knowledge as I can and possibly finding a job for after high school
Butler Tech Natural Science Center	I want to job shadow with a hippootherapist

Student - Location	Comments
Butler Tech Natural Science Center	If kids need to take a class or something that is only offered online but they don't learn well that way, maybe offer that class on campus on Fridays with an instructor.
Butler Tech Natural Science Center	Activities related or could be related to the labs and activities that we don't get to do in our labs; not related to our labs
	Group Painting Experiences
Butler Tech School of the Arts	Visiting Colleges
Butler Tech Natural Science Center	I want to do something with horses outside of school on Fridays.
Butler Tech Natural Science Center	Riding Lessons
Butler Tech Natural Science Center	I would use that Friday off to catch up on school work or work
Butler Tech School of the Arts	Time to work on arts and use computers in art room to edit photos in Photoshop since we no longer have that access on our personal laptops. It would also be amazing if we could maybe do pottery classes on the wheels on those days.
Butler Tech Natural Science Center	to go to other campus
Butler Tech Natural Science Center	i would like to experience working with a chiropractor to learn the right things
Butler Tech Natural Science Center	Work
Butler Tech Natural Science Center	n/a
Butler Tech Natural Science Center	An opportunity to work outside of school.
Butler Tech Natural Science Center	Allow me to work my job or stay at home if they will not let me work.
Butler Tech Natural Science Center	Lectures, mental health courses
Butler Tech School of the Arts	I would just like time to get my drivers stuff done, possibly get a job, and it would help me to get extra work done that I might need more time on. I could even think about colleges that I might want to go to which I haven't been thinking about.
Butler Tech School of the Arts	I would like to have internships available for juniors.
Butler Tech School of the Arts	I would be doing college visits, working at my job and also spending some time relaxing
Butler Tech School of the Arts	Sleep
Butler Tech School of the Arts	Shadowing jobs, having colleges visit, and have jobs come and explain the business of the job
Butler Tech School of the Arts	I would like to experience college visits.
Butler Tech School of the Arts	music
Butler Tech School of the Arts	Sleep
Butler Tech School of the Arts	Some activities that I would like to participate in are opportunities like performances or visual art classes. I would also work the Fridays that I don't go to the campus for extra schoolwork or future college plans.

Student Location	Comments
Butler Tech School of the Arts	Drivers ed courses and shadowing
Butler Tech School of the Arts	I would like to experience a field day for the end of the school year to have fun and to have an ice cream social
Butler Tech School of the Arts	music
Butler Tech School of the Arts	I plan on interning at my local graphic design company as well as hopefully getting a job
Butler Tech School of the Arts	To work at a music store
Butler Tech School of the Arts	idk
Butler Tech School of the Arts	having different options and ideas
Butler Tech School of the Arts	nothing so far is good as is.
Butler Tech School of the Arts	Practice days for vocal and instrumentals
Butler Tech School of the Arts	Perhaps allow teachers to have the option to have optional activities on these days. Maybe a topic that would not usually appear on a state test, but is related to the class.
Butler Tech School of the Arts	I am currently looking at photography and/or design internships. I'd like to find a wedding photographer or a venue that needs a photographer. Other than this, I'd like to use this time to maintain my leadership position in student council and be at school to help with student council projects.
Butler Tech School of the Arts	Activities I'd like to experience include acting experience such as local theater. I'd also like to do some college visits. On the days I come to Butler Tech on The Fifth Day experience I want to take a driver's ed course.
Butler Tech School of the Arts	I would like to have time to explore different fields of arts and careers, have more time to work, and have others guide me to finding the right college.
	chances to expand on arts and different mediums
Butler Tech School of the Arts	Butler tech should make mini projects for their students in their arts or small activities about their carrier.
	thats all
Butler Tech School of the Arts	i don't know, I'll probably just end up using it as an excuse to work more.
Butler Tech School of the Arts	Art Lab- go to campus and do our arts
	Shadowing a home school art teacher
Butler Tech School of the Arts	Going to college campus and go hang out with my home school friends and enjoy family time and probably work alot
Butler Tech School of the Arts	Art Lab, where we can come in and paint, draw, or do art things
Butler Tech School of the Arts	Miami university of middletown is right next to my house so I may take a visit of two over there.
Butler Tech School of the Arts	College advise lectures and financial advise lectures
Butler Tech School of the Arts	Not sure
Butler Tech School of the Arts	Some days to come in and work on art, either own art or art projects and possibly tutoring
Butler Tech School of the Arts	College visits
Butler Tech School of the Arts	resume writing workshops, student-led workshops for art, song-writing workshops, mock recording sessions
Butler Tech School of the Arts	I'm not sure. Let me think on it.

Student	Comments
Location	
Butler Tech School of the Arts	I would love Butler Tech to offer support in helping students about college information and college applications.
Butler Tech School of the Arts	maybe help us look for internships
Butler Tech School of the Arts	I'd like to do some of the activities I was promised the opportunity to do during flex days. During flex days, I'm so overloaded with work that I can't do any of the "you can start a band" or "you can do acting even as a visual arts major" that I was promised and that was talked up when introducing flex days. If I would be able to actually do these things that were definitely too good to be true when they were first introduced under the pretense of flex days, I'd be a pretty happy camper.
Butler Tech School of the Arts	working in a record store, "interning in a music studio if possible
Butler Tech School of the Arts	I would like to see if other people could try out different majors
	optional days to come into school and work
Butler Tech School of the Arts	Internship courses with other artist
Butler Tech School of the Arts	I want to gain volunteer experience and work hours. I also might audition for some things. Sometimes, I'll use the day to rest.
Butler Tech School of the Arts	I would like to go on college visits maybe with some of my classmates here at Butler Tech.
Butler Tech School of the Arts	I am not sure what butler tech should offer.
Butler Tech School of the Arts	animal care or drone experiences
Butler Tech School of the Arts	Going to college visits, auditions, working and doing my CCP classes.
Butler Tech School of the Arts	I think that Butler Tech should offer extra learning opportunities. For example, at BTSOA they should offer extra learning opportunities for their labs, majors.
Butler Tech School of the Arts	Volunteering options
Butler Tech School of the Arts	College Planning, Internships, Volunteer Work
Butler Tech School of the Arts	I don't know
Butler Tech School of the Arts	I think butler tech should add some clubs that are available on Fridays, like maybe where students can participate in other majors and see what each other do.
Butler Tech School of the Arts	maybe some help or different field trips that would be educational
Butler Tech School of the Arts	Different Major opportunities Beginners classes for certain skills
Butler Tech School of the Arts	I would want to take some dance classes. Also, volunteer, auditions, singing and acting. An so much more
Butler Tech School of the Arts	I would like to practice more on my arts as well as be able to get a lot of class work done if need be
Butler Tech School of the Arts	the activities that I would like to experience or that Butler Tech should be offering on these Fridays are volunteer opportunities for places within the arts so that I get opportunities to see behind the scenes
Butler Tech School of the Arts	-art classes -workshops -internships -job
Butler Tech School of the Arts	Something for the students who plan on not going to college. I don't know if that makes sense, but an activity for non college goers?
Butler Tech School of the Arts	Learning how to take advantage of good opportunities.
Butler Tech School of the Arts	There could be a student ran tutoring at Butler Tech on certain Fridays to help students catch up on work.
Butler Tech School of the Arts	Open art programs, college visits, and other activities that we do

Student	Comments
Location	
Butler Tech School of the Arts	I don't have a specific idea in mind.
Butler Tech School of the Arts	that i can come here and sing and makes music with friends and also look at jobs in the music indrstry and also get lot more work done
Butler Tech School of the Arts	I am going to work or get an intern job
Butler Tech School of the Arts	Stay home get work done, practice instruments
Butler Tech School of the Arts	I don't know :/
Butler Tech School of the Arts	Mostly College visits/tours
Butler Tech School of the Arts	open studio, seeing what other labs are like, life skills
Butler Tech School of the Arts	Work opportunities
Butler Tech School of the Arts	A chance to rehearse with bands for shows
Butler Tech School of the Arts	kickboard points if we attend
Butler Tech School of the Arts	Tutoring, homework help, extra lessons, availability to practice for shows.
Butler Tech School of the Arts	I think butlertech should offer something for students who dont have a job, or just want something else to do.
Butler Tech School of the Arts	Experiences in other classes such as through field trips or activities classes I am not involved in that I have a high interest in.
Butler Tech School of the Arts	I would love to get more opportunities to volunteer and visit campuses and work more hours
Butler Tech School of the Arts	Trips to downtown Hamilton
Butler Tech School of the Arts	I think that butler tech should offer help with college applications.
Butler Tech School of the Arts	Driver's Ed courses, ACT Prep etc.
Butler Tech School of the Arts	Connections to theatre related internships I would like a start on who to contact and oppoortunities that exist.
	Things outside your school to practice your major more.
Butler Tech School of the Arts	Different types of art classes.
Butler Tech School of the Arts	I am uncertain
Butler Tech School of the Arts	Performances and different activities in the Event center.
Butler Tech School of the Arts	Going to auditions for plays in my area.
Butler Tech School of the Arts	Minecraft all day
Butler Tech School of the Arts	I really think that we need choices of who to reach out to for fifth day experience
Butler Tech School of the Arts	Maybe during those Friday's the school could have sessions for people that want to catch up or get a head outside of a flex day.
Butler Tech School of the Arts	Open studio time would be so fun!

Student Location	Comments
Butler Tech School of the Arts	Maybe offer music lessons.
Butler Tech School of the Arts	I'm not sure yet. I don't know what the fifth day experience will actually look like for me.
Butler Tech School of the Arts	work on are showcase if we need to really or if you need work to work on
	Clubs
Butler Tech School of the Arts	Teaching little kids dance classes
Butler Tech School of the Arts	internships
Butler Tech School of the Arts	working more
Butler Tech School of the Arts	Extra classes for arts/tutoring
Butler Tech School of the Arts	I feel like they should give you a list of different places you can go shadow that involves your major.
Butler Tech School of the Arts	I plan to take private lessons for guitar and drums. I also plan to get a job.
Butler Tech School of the Arts	I'm going to pick up more hours at work and college visits
Butler Tech School of the Arts	bettering my dancing
Butler Tech School of the Arts	working at job
Bioscience Center	Drone flying
Bioscience Center	College Visits or Clinical with teachers.
Bioscience Center	Some internship or shadowing opportunities
Bioscience Center	I plan to work and try to keep up in school as well as volunteer.
Bioscience Center	give kids a smile shadowing studying
Bioscience Center	Co op where butler tech could find jobs related to our lab like dr!
Bioscience Center	Maybe for people that can't afford drivers ed they could offer it at school or other classes that people can't get normally
Bioscience Center	it would be nice for butler tech to have optional group study session on Fridays with the teachers for extra help.
Bioscience Center	Give kids a smile and job shadowing
Bioscience Center	I would like to try and experience my volunteering options or study groups on these Fridays
Bioscience Center	Give Kids A Smile, and dental office shadowing.
Bioscience Center	I feel like they should offer a co op job for us to help with our future
Bioscience Center	On the fifth day experience I will be doing volunteer hours for NHS. And job shadowing for my Dental Lab.
Bioscience Center	If the campus is still open, I think they should allow extra help for students that want to attend school on Friday with things such as CCP courses academic courses and more. Possibly they could email a teacher to come meet up with them on a Friday to have a one on one talk to receive a better understanding on certain courses.
Bioscience Center	Extra help could be offered by the teachers. Along with help on CCP courses, allow professors to come the bioscience campus
Bioscience Center	job shadowing
Bioscience Center	more on hand things
Bioscience Center	shadowing and college tours

Student Location	Comments
Bioscience Center	I would like to see less academic things and more nursing hands on activities
Bioscience Center	I think we should get more clubs that happen on fridays so we have bonding time or extra time to do work with other students. I plan on volunteering at my local nursing home until about three then stay home and unstress from the week. Also if i have a lot of work to catch up on i will go to school and study with friends
Bioscience Center	Some job shadowing, practice hands on nursing things, and have more practice learning careers.
Bioscience Center	Different shadowing experience
Bioscience Center	I think we should have guest speakers come in and talk about their jobs so we could get an idea of what they go through and if it fits us.
Bioscience Center	I would like to be told about shadowing opportunities at local hospitals, nursing homes, etc.
Bioscience Center	job opening, help finding jobs
Bioscience Center	Shadowing opportunities
Bioscience Center	Hands on experiences
Bioscience Center	I would like to come to do everything that you would offer and that is in my interest.
Bioscience Center	Clinical, Volunteer Opportunities, Makeup work
Bioscience Center	jobshadowing
Bioscience Center	go do thing that is related to my future
Bioscience Center	tutoring !!!
Bioscience Center	clinicals, job shadowing
Bioscience Center	Anything
Bioscience Center	keeping students to finish the work that they haven't had time to work on
Bioscience Center	volunteer at hospitals, work
Bioscience Center	I would be working or volunteering.
Bioscience Center	I would like to do my own thing rather than a school event. I want to have that day to job shadow my chiropractor, sleep, work on homework, go to the gym and or family time. Coming to school that day for an event isn't something I'm interested in.
Bioscience Center	Pt aide
Bioscience Center	There are no extra activities id like to see.
Bioscience Center	I would rather choose to stay home. I could use this day to catch up on sleep or work that i have missed.
Bioscience Center	I like the options gave to me, but I'd like to stay home.
Bioscience Center	I m probably going to work .
Bioscience Center	I would prefer to stay home on friday's to catch up on sleep. All though I would go out to do some activities.
Bioscience Center	I would like to go on college visits, and do fun activities. I would like to shadow different things that I m interested in
Bioscience Center	I really like all the options that the 5th day experience gives me. But I will mostly do the stay at home option, and sometimes do the others
Bioscience Center	There are none
Bioscience Center	Shadowing jobs that I m interested in, and working
Bioscience Center	on my off days i will be working with my homeschool
Bioscience Center	working and college visit
Bioscience Center	n/a
Bioscience Center	N/A
Bioscience Center	Clinicals ACT prep
Bioscience Center	Shadowing, drivers ed classes

Student - Location	Comments
Bioscience Center	I cant think of anything
Bioscience Center	I would like to do my shadow hours we have to do at a dental office
Bioscience Center	more clinical experience
Bioscience Center	shadowing college visits
Bioscience Center	I would like to stay home to work on my CCP courses
Bioscience Center	Tutoring
Bioscience Center	Have people from specific fields of nursing be available to talk to students about what it's like for example a neurologist
Bioscience Center	cooking experience help you with where you should go
Bioscience Center	I am going to be volunteering and the animal shelter and a food pantry most fridays
Bioscience Center	I would like to go on clinical experiences and go to work and shadow my stepmom because she is a nurse
Bioscience Center	More hospital visits. Allow some fridays for students to come and get work done if they are behind, and more clinical opportunities.
Bioscience Center	More hospital visits, more hands on and fun learning experiences with our program, clinical experiences, job shadowing
Bioscience Center	More volunteer hours and clinical options.
Bioscience Center	Clinicals outside of school for PCCD seniors and phlebotomy sticking make up days as well.
Bioscience Center	To more on work, and overall just to recharge.
Bioscience Center	none
Bioscience Center	I am looking forward to the 5th day experience, but I am not looking forward to no spring break. I hope to still take a week off. especially seniors, but overall, I believe this should be an interesting and great option
Bioscience Center	visit different nursing homes just to see how they do things.
Bioscience Center	clinicals
Bioscience Center	.
Bioscience Center	I plan to do volunteering and internships at the UC West Chester Hospital and Mercy Fairfield on Fridays. Also, I look forward to any offerings at the Bioscience Center, especially any practice for ACT or SAT.
Bioscience Center	i would like to do internships and hosa
Bioscience Center	Job shadowing, ccp courses, drivers ed
Bioscience Center	Hopefully a possible internship opportunity but i know that i am already committed to ccp.
Bioscience Center	the activities that i would like to experience is " give kids a smile " and also being able to experience the awesome feeling of not having school on those days and use that time to study do my work and also get things done as in going to work .
Bioscience Center	i think open to come to someone like a teacher or anyone in the building to get help on missing work or any work they don't understand
Bioscience Center	Driving ed courses, allow shadowing, and help with classes that people have problems with
Bioscience Center	Activities that I would like to experience with Butler Tech in my lap are mainly Give Kids A Smile, it is a good opportunity for us and if we have more things like that, I would love to come in. Or my new job, I will work more when I'm not here.
Bioscience Center	different activities
Bioscience Center	Shadowing at offices, possibly come to one of the butler tech campuses to take some ACT tutor classes. The first Friday will be give kids a smile
Bioscience Center	fridays should be days at school for people who have bad grades, missing work or not understanding whats going on school, or if people have a hard time learning in classes fridays could be an opportunity to take a class slow, breaking it up into parts so kids will understand
Bioscience Center	school activities for kids that want to come in
Bioscience Center	Give Kids a Smile
Bioscience Center	ACT practice, Study groups, volunteer opportunity, college visits
Bioscience Center	job shadowing

Student	Comments
Location	
Bioscience Center	I'm not sure
	I would intern and job shadow on almost all fridays. But sometimes take a decompress day
Bioscience Center	I would like to go to work and take extra time to do homework.
Bioscience Center	give kids a smile or study time
Bioscience Center	I would like to have extra help in academics and tutoring for those who need help. And more hands on activities for our lab program
Bioscience Center	i would like to use it to get some of my internship done
Bioscience Center	Maybe some help sessions for classes and things like that. Also a day where you can explore other programs and go on a friday to a different program and experience it for a day.
Bioscience Center	job shadowing and studying
Bioscience Center	opportunities for college credit plus
Bioscience Center	Probably a relaxing day.
Bioscience Center	CCP work, and working and job shadowing, volunteering
Bioscience Center	more things to do with dental
	Fun lab activities
Bioscience Center	something dental related
Bioscience Center	I remember Diets talking about a "life course" where we learn about apartment shopping, grocery shopping, taxes, etc. I would also like to learn about college tips like how to pay for tuition, dorm life, adjustments, study tips, etc. Also tutoring for classes we struggle in like Stats and Anatomy.
Bioscience Center	bring doctors in to teach us their specialties
Bioscience Center	Shadowing places that help me with what I want to do, sign up for colleges, college visits and fairs
Bioscience Center	clinicals, studies
Bioscience Center	i dont know
Bioscience Center	I don't know
Bioscience Center	Maybe a way how we can become stronger as a school
Bioscience Center	clinical
Bioscience Center	not sure
Bioscience Center	I will going on college visits and trying to do visits at hospitals
Bioscience Center	I would like to go to clinicals.
Bioscience Center	I love to get a internship at the hospital
Bioscience Center	I would like to experience some field trips that go to the hospitals and give us tours of what we are allowed to intern for
Bioscience Center	i don't know, i don't care. i just want my graduation credits and certifications so i can get a good job with decent pay. this program will do absolutely nothing to help or hurt me
Bioscience Center	Catch up days
Bioscience Center	miami valley internship
Bioscience Center	I would love to get more sleep and catch up on my homework and missing work
Bioscience Center	coming to butlertech bio science and doing my skills
Bioscience Center	College visits, scholarship opportunities, extra help sessions, community service opportunities
Bioscience Center	I would like to experience learning real world skills that will benefit me in the future ( how to write taxes, pay bills, mortgage, etc.) I would also like to go on fun trips.
Bioscience Center	Fun days
Bioscience Center	Fun days

Student - Location	Comments
Bioscience Center	Training for hospitals. Military officers come in and talk to us.
Bioscience Center	Volunteer work for shelters or even schools to help people/teachers. And even for students to help tutor other students.
Bioscience Center	Drivers ed courses
Bioscience Center	I will be working if given this Friday off days.
Bioscience Center	I will be using these days as at home work days
Bioscience Center	Some form of tutoring, such as ACT prep classes. Or having more help within some class, like study sessions. Clinical s would be a fun and educational way to the fifth day experience
Bioscience Center	Nothing, I will stay at home and finish my school assignments.
Bioscience Center	I want to go to a hospital and shadow people, or I just want to come in and do homework. I just want to relax on some Fridays too.
Bioscience Center	going to work more
Bioscience Center	shadowing
Bioscience Center	Clinicals
Bioscience Center	Possibly music and being able to wear whatever.
Bioscience Center	Going to the hospital and shadowing or volunteering.
	should allow me to work at my job.
Bioscience Center	More volunteering options and I would like to experience working.
Bioscience Center	internships, volunteering
Bioscience Center	I feel that if we do the things listed above, it would be a great opportunity. Also, I believe if there was to be more options for volunteering that would be amazing.
Bioscience Center	I would like to take a few of the Friday's off but the other Fridays I would really enjoy finding a person that has the job or close to the job I want so that I can job shadow them and see if that is truly the job I want.
Bioscience Center	butler tech should offer
Bioscience Center	Clinicals
Bioscience Center	college visits
	I think Butler Tech should have people from hospitals in all specialties come and talk to us about their jobs and do some kind of activity relating to that specialty so we really get a feel of what it's like first hand before we go to the hospitals or just to get more information about the specialty we're interested in
Bioscience Center	being able to do more job shadowing, getting any extra help from any teachers you may need if from.
Bioscience Center	Butler Tech could set up college visits for select students or more shadowing at hospitals
Bioscience Center	clinical options free Fridays (1 or 2) community activity or school activity work days online
Bioscience Center	I would like to shadow and visit campuses
Bioscience Center	I would like to take 3-5 of those Friday's off; take a personal day. On the other Friday's I would like to personally shadow a Pediatrician to learn more about the job and to make sure I truly want that to be my future career.
Bioscience Center	College fairs, a day to work on late or just general school work since some of us have very little time to do the work due to busy schedules
Bioscience Center	A lot of students wanted to choose more than one lab so I feel like on those Fridays we should let students go to other Butler Tech campus and learn about their second option labs they had in mind
Bioscience Center	volunteer hours with teachers or at the hospital, job shadowing different field jobs
Bioscience Center	offer help to any students who need it for a class I want experience college visits
Bioscience Center	clinical options
	All different kinds of things. Nothing in particular
Bioscience Center	can't think of anything
	I would like to have more activities that involve the human SKILL instead of just the human body itself. Also, I think having activities that allows us to express ourselves in a way would be great.

Student Location	Comments
Bioscience Center	Catch up days for students who could be potentially struggling. Not that they can't do this outside of school. And probably more community things such as working with one another to understand professions of interest.
Bioscience Center	I want to experience the college visit aspect, also the shadowing is something I look forward to
Bioscience Center	Some shadowing but mainly just school stuff and sports.
Bioscience Center	I don't know what I'd like to experience but if job shadowing at a morgue is an option then I would choose that.
Bioscience Center	N/A
Bioscience Center	Maybe a job fair, or volunteer opportunities as a group. College visits, or a college fair
Bioscience Center	I would like to have an extra day where I am able to have time to work or work on my future and college life or use fifth day as a way to relax from the school week.
	Clinicals and Labbs
Bioscience Center	Maybe have speakers come in and give presentations. If we come for a campus offering we should be allowed out of uniform.
Bioscience Center	Drivers ed courses, the option to be on campus just to catch up on work
Bioscience Center	honestly just the driving school for me just not too expensive for it
Butler Tech School of the Arts	I'm not sure on what to say
Bioscience Center	I would like activities like shadowing and how to use your money in the future.
Bioscience Center	I do not know
	I don't really care I don't like the 5th day experience because it takes away spring break.
Bioscience Center	I plan on working extra and visiting colleges.
Bioscience Center	Life skills, extra help, getting ready for college
Bioscience Center	Visiting college campuses
Bioscience Center	Tutoring (or the ability to become a tutor), being able to catch up on work.
Bioscience Center	I would like experience being able to stay at home 3 days instead of 2. A extra day to decompress and sleep in would be beneficial. I don't sleep enough as it is.
Bioscience Center	I personally will be working and finding time for school work on Fridays, and find a variety of things to do on these Fridays throughout the semester
Bioscience Center	every friday wear our own clothes for fun
Bioscience Center	Being able to work the entire day.
Bioscience Center	One on one help with teachers
Bioscience Center	They should allow students to work at any places that you workout in and can follow a physical trainer.
Bioscience Center	An activities I would like to experience is going to a high school and being able to work with their athletic trainer.
Bioscience Center	Things I would like to be doing would shadowing
Bioscience Center	I would like to take part in job shadowing, college visits, and internships.
Bioscience Center	I would like to experience an internship on most Fridays I would like to try different internships too. I plan to go to my high school some days too for band.
Bioscience Center	Maybe like a class period where you can relax and chat with friends or have some fun activity like having board games set up or something along that nature. Another offering is doing something outside. Some kind of activity we can do outside that won't get our uniforms dirty, but something relaxing or fun.
Bioscience Center	Social gatherings to help everyone get along better, and, for college and career fairs
Bioscience Center	I would like to sleep, volunteer, do extra work, and relax.
Bioscience Center	I think that outler tech should offer study groups for state testing and study group for your common core classes.
Bioscience Center	I would like to volunteer at local places that would help me like the YMCA or something that would benefit me as a exercise science student
Bioscience Center	What I am most looking forward to during the fifth day experience would be shadowing, volunteering at hospitals. I also would like to do college visits as well. Some Fridays I will use the day to catch up and do homework.

Student - Location	Comments
Bioscience Center	They should be offering more college campus tours
Bioscience Center	I would like to experience jobs with occupational therapy. I would also like to shadow them, and train for new jobs openings
Bioscience Center	I would like to volunteer more often, work on homework and focus on my sport
Bioscience Center	I would like to be able to work for my home school, like maybe be an aid to the physical trainer or even an aid to the gym teacher.
Bioscience Center	learning new things in the athletic training field or job shadowing them
Bioscience Center	I would like to start working day hours so I can spend my Friday night with friends and family.
Bioscience Center	I want to be able to shadow with a personal trainer or have more options for exercise
Bioscience Center	More options to go to the hospital/clinicals on those days
Bioscience Center	More volunteer opportunities for everyone and for them to be advertised to us so we know.
	I want to get back into working more hours on Fridays at my job and get in my volunteer hours for NHS
Bioscience Center	extra work we could complete online for courses
Bioscience Center	butler tech should offer a homework help for some students so it can help there grades
Bioscience Center	I would most likely do all the activities if I am already not working or have other plans
Bioscience Center	something that allows us to meet new people in the building
Bioscience Center	I would like to job shadow as much as I can so I can get a look at the field I plan on going into.
Bioscience Center	Maybe something like a Friday Tutoring option for some students.
Bioscience Center	That everyone has a chance to figure out what they are interested in and see if this is really what they want to do.
Bioscience Center	field trips
Bioscience Center	act tutoring or tutoring in general, clinical, job shadowing and, volunteering and work opportunities
Bioscience Center	job opportunities for students that have to do with their career or even outside of what they want to do as a future career.
Bioscience Center	I'm not sure maybe some extra course like if we want to take extra ones then we can have more options maybe
Bioscience Center	I would like to like go shadow different jobs and maybe like nursing homes and then just get more hours at the job I work at now
Bioscience Center	Extra help with work and more volunteer options.
Bioscience Center	.
Bioscience Center	Volunteer work or shadowing
Bioscience Center	quiet study sessions we really need those
Bioscience Center	college tours
Bioscience Center	psychology
Bioscience Center	study and homework day
Bioscience Center	I'm not specifically sure, but I want to get the opportunities to go to campuses and get new idea and learn more from external activities.
Bioscience Center	Individual job shadowing for kids to learn about what they want to do
Bioscience Center	volunteering opportunities and more clinicals
	working at my job job shadowing
Bioscience Center	work go on college visits and job shadowing
Bioscience Center	Clinics Volunteer activities

Student	Comments
Location	
Bioscience Center	I will come into school if something im interested in is available but if im not interested i will work at home
Bioscience Center	The ability to job shadow different people at hospital. Have people come in and share their experience
Bioscience Center	They should offer special things if you do decide to come into school on Fridays.
Bioscience Center	I would like to go job shadowing, go on different college visits, and work to get extra money that could help out for college.
Bioscience Center	Maybe we can do things closer to each high school, search around and see things around colerain for example
Bioscience Center	Staying at home
Bioscience Center	I would like to find where I might want to go or find my job. I want to have my fixed college I want to go to before the start of my senior year.
Bioscience Center	Possible ACT prep classes working with small babies Working with children
Bioscience Center	Job shadowing
Bioscience Center	I will definitely use this experience to work at my job and possibly do some job shadowing!
Bioscience Center	job shadowing, and time to pick up extra shifts at work
Bioscience Center	More clinicals to hospitals and volunteer opportunities.
Bioscience Center	drivers ed
	college tours that are open to juniors also.
Bioscience Center	clinical and job shadowing
	Most likely i'll end up working, taking drivers classes & relaxing on friday's.
Bioscience Center	shadowing other RNs
Bioscience Center	job shadowing , clinicals , and days to decompress as well
D. Russel Lee Career Center	Working, relaxing, catching up on work etc.
