

Student Survey 2

The Fifth Experience

November 2019

Note: This survey was administered electronically to all students; this document serves as a reflection of the survey questions used.

Top 5 Facts About FDE

1. Transportation to-and-from school is provided by the regular bus schedule.
2. Food is provided at campuses as normal.
3. Students can personalize their own experience by selecting anything they want (External options, campus options, stay at home option or any combination of events)
4. If you sign up for an experience, attendance will be taken, and absent notifications will be sent out if you are not present.
5. You cannot show up to a campus option if you did not sign up in advance.

External Experiences:

For students interested in an external experience: Is this something you already have access to or will you need Butler Tech's support in making a connection for a job, internship, volunteerism, shadow or clinical?

- I already have my own connection
- I need support from Butler Tech in finding a connection
- I am not interested in an external experience

College Credit Plus Courses (CCP):

Most CCP courses run between 12-15 weeks, which would consume a large part of your Fifth Day Experience. A CCP course allows you to earn 3 FREE college credits towards most universities. Which response below best describes your interest:

- Intro to Psychology
- Intro to Sociology
- Political Science
- American Sign Language
- Introduction to Non-Profit Organizations
- Not Interested (Prefer external option or to stay-at-home)

Single External Events

Students may attend a singular external event, or a few of them in combination with something else, such as: working, staying at home, college visit, internship, etc. Check as many of the options below you are interested in attending:

- College Tour
- Industry Tour
- Volunteering / Community Service Events
- Military / Armed Services Tour

Campus Options

Below is a list of examples. Check up to five (5) campus options you are interested in attending.

- Introduction to Welding / Advanced Welding
- Driver's Education (7 weeks for \$400.00)
- Tutoring / ACT Support
- Resumes, interviews and soft-skills workshop
- Launching your own business / Shark-tank
- Financial Literacy, investing and credit cards
- Mindfulness / Personal Wellness (Yoga, Reflection)
- Self-Defense and Martial Arts
- Adulting (changing tires, laundry, paying bills)
- Social Justice Workshop (creating an impact on local and national issues, such as immigration, poverty, racism)
- Culinary 101: The Art and Science of Cooking
- Hip-Hop Arts, Music, Poetry and Dance Course
- STNA – State Tested Nurse Aide (all 15 consecutive weeks)

Student Interest and Feedback

List up to 2 ideas you would like to see offered at a campus, not mentioned in the survey.

Which experience are you most excited about right now?

Share any additional information that would be helpful for us to know:
